

## Grayling Man Arrested for Olson's Jewelry and Clothing Robbery

A Grayling man was arrested after an eighth-month investigation by Grayling City Police assisted by the sheriff dept. He was being arraigned in 83rd District Court Tuesday in connection with a theft of about \$12,000 in jewelry and clothing from Olson's of Grayling. About \$300 worth of goods was recovered by police so far.

## Grayling Man Charged With Safe Breaking

Warren Reniff, of Grayling, was charged with safe breaking in connection with the theft of two safes from Millikin's Construction. The safes were recovered and neither appeared to have been broken into. Bond was set at \$10,000.

## City Police Talk Man Out After He Threatens To Shoot

Grayling City Police spent one hour talking a Grayling man out of his house after he threatened to shoot police officers. The city police, sheriff department, and state police had responded to a call along the 400 block of Elm Street by neighbors who said they heard a woman shout her boyfriend was going to shoot her. The man was talked out of his house by police and was arrested pending arraignment of charges. The incident started at about 2:40 a.m. Friday morning.

## Youths Found by Police

Sheriff deputies and city police found four 16-year-olds lost while hunting Sunday in the swampy area west of town. The youths went hunting about 2:30 p.m. and parents called police by 7:50 p.m. Police officers were able to make voice contact with the youths and help lead them to safety by 8:30 p.m. The youths had already built a makeshift shelter and fire.

## Trick-or-Treat for UNICEF

Among those haunting the streets of Grayling this Halloween will be a group of ghouls and goblins from the Grayling High School Advanced Studies Program collecting donations for UNICEF. Halloween is not just a time for candy and fun; it is our opportunity as concerned citizens to help the less fortunate people of the world.

This October 31, between the hours of 6:00 and 8:30 p.m., in addition to treating your visitors to candy, consider making a donation to those collecting for UNICEF. Please help us in our effort by contributing to this cause.

## Range Firing Conducted

Range firing will be in the following areas on the dates and times as indicated.

The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek. Firing will begin at 8:00 AM 2 November 1985 and cease at 5:00 PM 3 November 1985.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97 (Twin Bridge Rd). Firing will begin at 8:00 AM (Daily) 30 OCT 85 and cease at 5:00 PM (Daily) 6 NOV 85.

The ranges will be closed to the public during these periods and all persons are warned to keep out of the areas identified.

## United Way Funds Add Up

Maureen McNamara, this year campaign chairperson for Crawford County United Way, has set the tempo and the mercury is rising for this year's United Way Campaign.

Crawford County United Way has set their goal at \$29,000. This is a high goal, but our United Way has already reached 23% equalling \$6,732.48, as of Oct. 22, 1985.

This year, our United Way began its campaign Oct. 4  
See United Way on Page 15

# Safety Comes First for Halloween Trick-or-Treaters

The City of Grayling is recommending Halloween trick-or-treating for youngsters be conducted from 6 to 8 p.m. Thursday night.

Grayling City Police Chief Pete Stephan says the city police will be increasing traffic patrols during this period for added safety. He reminds all motorists in the area to be extremely watchful Thursday for children.

The traditional Halloween parade from the Grayling Elementary School will start at 1 p.m. Thursday. The young goblins will walk down Michigan Avenue and turn around before the I-75 Business Loop.

The Sheriff Department will again be offer-

ing a metal detector check of candy Halloween night. For more information call the Sheriff Dept.

The ASERT group will again assist police patrols on Devil's Night and Halloween night.

The city police give out these friendly reminders to parents and young goblins:

★ All treats should be taken home for inspection by parents or an adult before being eaten. Only eat treats packaged in original wrapper.

★ Masks or material obstructing vision should be removed when crossing streets or while in areas of vehicle traffic.

★ Costumes should be bright or have reflection strips for visibility, and they should be non-flammable material.

★ Flashlights should be carried after dark, little goblins should be escorted and confined to own neighborhoods.

★ Only approach homes having porch lights or similar welcome displays.

★ Remind children not to accept rides from anyone they don't know.

If any suspicious items are brought home, parents should call police right away and question their children to find out where the tampering might have occurred.

## One Year Later

# Big County Drug Bust Produced Convictions

By Jon Thompson

One year after Crawford County's biggest drug bust, the county prosecuting attorney is satisfied with convictions resulting from those early morning arrests.

In pre-dawn raids October 30, 1984, the Crawford County Sheriff Department arrested 28 persons connected with marijuana, hashish, LSD, and cocaine selling.

The arrests have resulted in sentences for the 28 persons adding up to 14 to 46 years of prison and jail terms, \$15,309 in fines, 41 years of probation, and 1600 hours donated to community service.

Although most of the persons plead guilty to less severe or fewer charges than originally arrested for, the prosecuting attorney was satisfied with the convictions.

"The guilty pleas taken were such that the maximum time served, if any, would be approximately the same as if the persons had been tried and found guilty of the original

charges," said John Huss, Crawford County Prosecuting Attorney.

Huss said plea-bargaining is a tremendous savings to the county.

"For the most part, these suspects had court-appointed attorneys and jury trials can be very expensive. The plea insures a conviction and it avoids hearing after hearing on entrapment," said Huss.

A Sheriff Department officer who spent a lot of time on the drug investigation said he was satisfied with the convictions.

The most severe sentence handed out was five and a half to twenty years in prison for a charge of delivering cocaine. The lightest sentence was a fine of \$5 restitution for a person involved in use of an imitation controlled substance.

Approximately \$50,000 in drugs were involved in the eighth-month long investigation that preceded the October 30th bust.

The largest deal involving an undercover

agent was \$880 for 600 hits of LSD.

Following is a list of the persons arrested in the drug bust and the sentences they received. Only their initials are used to avoid additional publicity for the persons because their names were already published once on the front page of the Avalanche following last year's raid.

M.M. - Sentenced to two to twenty years in prison for one charge of delivery of cocaine.

G.M. - Sentenced to ten months in jail, three years probation, \$400 in costs, \$435 in

restitution, 800 hours of community service, and must obey a curfew from 10 p.m. to 7 a.m. - for delivery of marijuana.

S.N. - Sentenced to nine months in jail, three years probation, \$400 costs, \$28 restitution, must repay attorney fees, must enroll in drug counseling and GED programs - for two charges of delivery of marijuana.

W.M. - Sentenced to one year in jail, five years probation, \$400 costs, \$1,000 fine, and

See Drug Bust on Page 15

The arrests have resulted in sentences for the 28 persons adding up to 14 to 46 years of prison and jail terms, \$15,309 in fines, 41 years of probation, and 1600 hours donated to community service.

## Investigation Team To Report on G-P Fact-Finding Trip

Five Beaver Creek Township officials and one county official toured a Georgia-Pacific resin plant in Louisville, Mississippi, last week on a fact-finding trip.

They will report their findings at a public meeting 7 p.m. Monday, November 4, at the Beaver Creek Township Hall.

Beaver Creek Township Supervisor Cletis Spears, Clerk Florence Nelson, Treasurer Terry McGregor, Trustee Kathleen Mobarak, Fire Chief Ed Holcamp, and county Building and Zoning Inspector Bruce Jones spent two days at the Louisville plant

and community.

They flew from Grayling at 10 a.m. Monday on a Lear jet owned by Georgia-Pacific. The investigative team from Beaver Creek Township and the county toured the plant Monday asking questions about operations. They met with personnel of the plant who discussed general operations.

Monday evening, the team met with Georgia-Pacific officials from both Atlanta and Louisville. They also met with Louisville officials, the mayor, chamber of com-

See Georgia-Pacific on Page 15

## Does American Red Cross Deserve Your Financial Support?

Four weeks ago today we asked that question in the first of these articles detailing the unique and peculiar humanitarian services that only Red Cross renders the Citizens of our great Country.

The question today is have these articles convinced you, that your family, that your friends and neighbors need these vital humanitarian services and that you should contribute financially to Red Cross to make sure that

these Services continue to be provided to the folks of our community?

If you have decided that Red Cross does deserve your financial support, and you have not yet contributed, See Red Cross on Page 15

## Two Elections Slated For Tuesday, Nov. 5

Grayling City voters will have to go to two polling places next Tuesday if they want to vote on Grayling city councilmen and the Kirtland Community College millage proposal.

The polling place for the city election will be the city hall. Wm. Dennis Sloan and Gordon "Sandy" Thompson, both incumbent councilmen, are seeking re-election to four year terms. They are being challenged by Larry Akers. Two seats on the council are open. Two of the three candidates will be elected to fill the positions.

The polling places for the Kirtland Community College millage request will be the regular school election polling places, the Grayling Middle School, Frederic Elementary School, and Lovells Township Hall.

Kirtland is seeking its first millage increase since the college was started in 1966. The college is requesting an increase of one mill to one and a half mills for operations. The one mill currently levied for operations

has remained unchanged since 1966. KCC President Ray Homer said enrollment at the college has increased from 160 in 1966 to 1,500 and operation expenses have increased.

"We don't have much choice but to ask for the millage increase," said Homer. "Last year expenditures were \$126,000 more than our revenues and this year our costs will probably exceed revenues by \$400,000."

The college does not want to raise tuition or fees to raise more money because tuition has already been increased by 45 percent in the last ten years to try to cover increasing costs. With a millage increase, KCC intends to hold the line on tuition increases.

Homer said even with the half mill increase, KCC would still have one of the lowest millage rates in Michigan for a community college.

The millage would allow KCC to maintain current services, Homer said.

Polls in both elections are open 7 a.m. to 8 p.m. Tuesday, Nov. 5.

## Camp Grayling RR Cost Near \$5 Million

A 6.4 mile railroad spur to Camp Grayling could cost \$4.4 to \$5.2 million to construct, a recent study by Granger Engineering, of Gaylord, shows.

The main expense for building the spur is crossing the I-75 expressway. The study outlined three options for crossing the major highway. Option A, estimated to cost \$1,221,000, uses a railroad bridge to pass over I-75. Option B, \$504,000, uses two high-

way overpasses to carry north and south traffic over the railroad. Option C, \$655,000, uses a railroad tunnel to go underneath I-75.

Granger Engineering recommended option B because it costs less and involved more routine construction than the other two options. The disadvantages of option B are that it could create a low area below the expressway possibly subject to flooding

See RR Spur on Page 15

## Palmer Honored

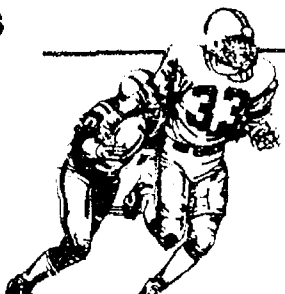

Michael Palmer became the first northern Michigan person ever to receive the Red Cross Certificate of Merit — the highest honor awarded by the American Red Cross. Only 9,000 of the awards have been awarded since 1928. Palmer received the award for saving Ricky Youngs (standing right) from choking using Red Cross First Aid. Seated is state senator Connie Binsfeld and Crawford County Red Cross chapter treasurer Harrison Goodhue. Standing at left is George Pamerleau, chapter chairman, and in the middle is Marty VanDeVen, Palmer's First Aid instructor. Palmer was honored at the Grayling Holiday Inn last Thursday. ## From Our Corner...

This is going to be another one of our frequent weeks of bits and pieces scattered here and there and not pertaining to anything earth shocking...

Voters in Crawford County will be kept busy this coming Tuesday, November 5th...especially those living in the City of Grayling...with a county wide vote for millage for Kirtland Community College. Grayling voters will also be electing two members to the city council...in Grayling, the millage voting site will be at the middle school gym, while the council voting site will be at the city hall on James Street...they are both important, so, take the time and cast your ballot at the gym and over at city hall...

We attended the roast Saturday night for Grayling's own self styled hobo, Irvin is Servin McIsaac...the K of C hall was jammed to the rafters, and everyone seemed to enjoy the roasting of someone who certainly deserved it...John Huss, Prosecuting Attorney did a bang up job as MC, while Judge Tom Davis also did a terrific job as a roaster...all that was lacking was Sheriff Bum Hatfield to be there, then possibly Irvin could have spent the night in the slammer...for impersonating a railroad man, and hospital orderly...one thing though, is that Winter Sports won again...

So far Thelma and I have survived...we never knew there were so many kinds of frozen dinners...we were thinking that our electric bill will be higher this month but, there are only utensils to wash, so our water bill should be lower...and besides I don't have to stand at the sink and rinse the dishes to put in the dishwasher, and then argue with Thelma whose turn it is to push the button...all that has been taken care of with soup out of the can, cold meat and cheese and peanny butter along with a diet of frozen dinners...

This afternoon we were thinking about our den while trying to get this turkey started...now with Thelma's mishap that will lay her up for two to three months we might just as well forget our own private room...we know we can not live as long as Moses, and that is what I would have to do...

An idle thought...we were just wondering, instead of Thelma breaking her wrist, she might of some how broke her jaw...she would be able to cook for me, and besides that she wouldn't be hollering and giving me hell all the time...that's just wishful thinking...

One morning last week, I think it was Friday morning, we were walking down to work, and when we came to Flowers by Josie, Bob was out cleaning up a mess of corn stalks that they had decorated around a nice little tree in front of their building...I asked him if some vandals had pulled it all out, like they do to flower pots on the street...Bob said, no, they set fire to it and it even scorched the tree...I hope it lives...more than I do for the freaks that prowl our streets after dark...

Come Halloween, 1986, we hang up the ghost...

I know I must be getting old, we just took a week off and I have to be re-programmed for what my duties are supposed to involve...and also I'm finding out the more I am away from the office, things seem to go on just as if I was in their way...which I guess proves one thing...there is no one indispensable...and here I have thought that for some 48 years that I was...

I must say though, it has been a long climb up the hill but it has been worth it...it has been an honor to sit in the chair of the likes of Dr. Oscar Palmer, Oscar Schumann and Robert Strong...

With that we bid T.J., Stefany and Amber good-night, and as Irv stated Saturday night in his rebuttal, it sounded like I was saying goodnight to a law firm...I never thought of that...to anyone else that may come in contact with this turkey, do have a nice weekend...if I had my druthers, it would be spring coming up...

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

23 Years Ago  
November 1, 1962

Mr. and Mrs. Jack Alef were hosts to fifteen couples Tuesday night, the guests coming in Halloween costumes to the Alef barn across the road from their home. The building was decorated with corn shocks, pumpkins, varicolored ears of corn, hanging skeletons and ghosts and lanterns. The entertainment was dancing, both round and square. Prizes were planned for the best disguise and cleverest costume, one each for men and ladies. A light lunch concluded the evening.

Mr. and Mrs. George McEvers and family spent last week visiting relatives in Bay City, Flint and the Roger Kesslers in Midland, and did some hunting.

Mr. and Mrs. Bill Kinkert spent the weekend visiting her cousins, Mr. and Mrs. Arthur Mingsus, at Grand Lodge.

Barbara Middleton celebrated her 10th birthday on October 25th with a party. Her guests were Jackie LaFontaine, Janet Newberry, Sheila Hulbert and Vivian Lantt. She received some nice gifts.

Mrs. Glen Fenton and Mrs. Jack Fenton left October 19th for Salina, Kansas, to visit the latter's daughter, Vivian, and to attend her wedding on October 27th to William J. Mall, Jr. Captain in the U.S. Air Force, at Schilling Air Force Base Chapel at 11 a.m. Jack Fenton and son Bob joined the ladies in time to attend his daughter's wedding.

On Monday, October 22nd, Tommy Feldhauser was 4 years old, and in celebration of his anniversary his mother, Mrs. Norman Feldhauser, invited in 8 little friends for lunch, including birthday cake and ice cream, and had them for a couple of hours of play. Besides Tommy's birthday, Norman's is on the 11th, and the Feldhauser's wedding anniversary is on the 23rd.

Jackie Hunter's birthday was October 22nd, and to celebrate the occasion eight of her friends were invited in to spend the evening. Two were guests from Gaylord, and the others former classmates in high school, so there was plenty of reminiscing to catch up on. Birthday cake and ice cream and coffee were enjoyed.

Mr. and Mrs. Harvey Gauthier are the parents of a son, October 27, weighing 8 lbs. 6 1/2 ozs. Mr. and Mrs. Harvey Gauthier Sr. of Lovells and Mr. and Mrs. Emil Meisel of Grayling are his grandparents.

46 Years Ago  
November 2, 1939

Lestie Loper returned Sunday night with his bride from the North Portsmouth, Kentucky, where they were married on October 25th. Mrs. Loper was Esther Satindohl, who made her home in Grayling for the past couple of years, having come here from North Dakota. The young couple spent part of their honeymoon in Wheelersburg, Ohio, visiting the groom's father, T.J. Loper.

Mrs. Leo Schram and daughters have gone to Detroit to make their home for the present. Mr. Schram is employed there for the Ford Motor Company.

Truman Ingram left Tuesday to do some

work for the Kerry and Hanson Flooring Company at their Big Bay plant.

Grayling friends of Mr. and Mrs. John Zeder of Battle Creek have received announcements of the marriage of their son John Frederick to Winifred Lanore Woodbridge, daughter of Dr. and Mrs. Walter Woodbridge of Kensington Road, Detroit. The nuptials were solemnized in Atlanta, Ga., on October 27 where Mr. and Mrs. Zeder will make their home. Jack, as the groom is more familiarly known in Grayling, is chief salesman for the Chrysler Corporation in Atlanta.

Mr. and Mrs. Walter Loper are building themselves a home on the corner of Smith and Elm streets. It is built of logs they gathered themselves. The size of the house is 18 by 20 and it will be divided into three rooms and they plan to add to it later.

Mrs. Theodore Stephan and son Teddy left for Detroit today. She was accompanied by her mother, Mrs. Hulda Engel of Alba, who has been visiting her daughters, Mrs. Stephan and Mrs. Norman Dawson.

69 Years Ago  
November 2, 1916

Miss Elsie Erickson, who has been at Grand View college at Des Moines, Iowa, arrived Saturday to spend several weeks here visiting her uncle and aunt, Mr. and Mrs. J.W. Sorenson.

Invitations are out to attend the fiftieth wedding anniversary of Mr. and Mrs. J.K. Hanson at Danebod Hall Saturday evening, November 4.

Emil and Joe Kraus left Tuesday for Houghton Lake to spend several days hunting ducks.

Mrs. Alfred Hughes was at home to about 32 of her lady friends Tuesday afternoon. It was a very pretty affair, the colors yellow and white being carried out in the decorations, as well as the lunch, which was made up of yellow and white dainties.

A funny thing occurred on our streets Monday night when Dan Ried was parading his billy goat, advertising the big Moose meeting for that night, when one lady was heard to say, "I thought that moose were a larger animal than that."

Ray Owen, who has been employed by T.E. Douglas of Lovells the past two years, left for Detroit where he will remain for the winter.

## The Bible Speaks

From Calvary Baptist Church

### PROMISCUOUS SEX AND EVIL AIDS

In trying to calm public fears and reactions to AIDS, we are being reminded that the most common way of getting AIDS is by repeated anal intercourse between male homosexuals. In fact, we are being told that apart from some form of contact with the blood of an AIDS victim, no one will get AIDS.

After assuring us that most of us having nothing to fear, they then abandon their logic, and try to convince us that AIDS is not a Gay Plague, but a disease common to the entire community. The Los Angeles' Alliance of Gay and Lesbian Artists are blaming the news media for exaggerated and misleading reports on AIDS which is stirring up the public.

The entire treatment of AIDS in our society is illogical and unreasonable. If one put poison into the public water supply, he would be treated as a dangerous criminal. Yet, homosexuals can put the deadly AIDS virus into our blood supply and nothing happens. Two Michigan congressmen voted against a bill to close bath houses and massage parlors to help fight AIDS, one of them is publicly quoted as saying he felt the bill had "anti-gay overtones."

Detroit will probably screen hundreds of prostitutes to determine if drug abuse has brought the AIDS virus into their community. They fear the legal problems over the rights of the prostitutes. Homosexuals are displeased at reports that insurance companies are considering ways to screen and identify applicants exposed to AIDS. While they may do the same thing concerning age, driving record, or alcohol abuse, they are expected to risk bankrupting the health industry for the sake of homosexual sins.

It is enough that promiscuous sex has threatened to

undermine the moral values of our families, must the fruit of this sex sin now be permitted to threaten our national health? Must we surrender our most precious God given rights of life, liberty, and property to pacify the sex sins of sickening secular humanism? Stop promiscuous sexual activity and the Gay plague of AIDS will be history in two years. AIDS is a sin sick disease sent by a holy God. "And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompense of their error (AIDS) which was meet (due)." (Romans 1:27).

Sex outside of marriage is sinful, vile and evil. Homosexuality is the most wicked and vile of all sex sins. We love all people including homosexuals, but we hate their sin. If we do not confront them with the sinfulness of homosexuality, they will spend eternity in the burning flames of Hell. It does not bother me to offend the feelings of a homosexual over his sins. If he repents of his sins, and trusts Jesus Christ as his savior, it will be worth it all.

**HALLOWEEN PET** — This black kitten would make a wonderful Halloween treat for your child. He can be picked up at the county animal shelter open 2 to 3:45 p.m. Monday, Tuesday, Wednesday, and Friday and 11:30 a.m. to 1 p.m. Saturday. This friendly kitten is a male about 3 to 4 months old. There are a couple other colors of kittens and cats currently at the shelter if black cats are too frightening for you at this time of year. The English setter shown in last week's paper has already found a good home and he turned out to be an excellent hunting dog.

## Stroke Club Meeting Held

Grayling Health Care Center hosted the First Monthly Stroke Club meeting of Crawford County on October 11th.

Guest speaker at the October meeting was Dr. William Williams, GHCC Medical Director and Gerontologist.

Dr. Williams spoke on the important role the family plays in a stroke patient's recovery. He explained the casual factors of stroke including hypertension and smoking, but went on to explain that after a stroke occurs the family is an essential member of the rehabilitation team.

Immediately after a stroke occurs doctors and nurses, physical occupational as well as speech therapists assist the patient in the first steps of rehabilitation, said Williams, but it often is the family which sets the foundations for recovery.

Families offer the understanding and companionship so necessary to the patient's motivation to recover.

Dr. Williams concluded by saying that a Stroke Club is an important resource for patients and their families to share educational information as well as their feelings.

Approximately 30 people were in attendance at the October meeting including Roger Rowen from the Traverse City Branch of American Heart Association, Maude Rice, gerontologist and co-ordinator of the Crawford County Stroke Club and Beth Decker, Director of Nursing from Huron Memorial Hospital.

Our next meeting will be 4 p.m., Friday, November 9th at the Grayling Health Care Center. The speaker will be Dorri Lewis, Occupational Therapist for Mercy Hospital and the Grayling Health Care Center. The Public is invited to attend.

For more information contact Nancy Holcomb at the Grayling Health Care Center (517) 348-2801.

The Avalanche —  
Your Want Ad Paper

**LITTLE HALLOWEEN CREATURES** may safely clown around and otherwise delight their neighbors but they are advised to follow a few safety rules to avoid injury. Face makeup rather than masks and bright costumes make youngsters such as Detroiters Kyle Brodbeck (left), 4, and his brother Luke, 2, highly visible to motorists. Trick-or-treaters also are advised by AAA Michigan to wear costumes short enough to prevent tripping, carry flashlights, cross streets at corners and look all ways before stepping off curbs. Youngsters should keep to well-lighted streets and walk facing traffic if there is no sidewalk. All treats should be checked before children eat them.

## Obituaries

### Tuesday Services For Malvina M. Hoover, 85

Malvina M. Hoover, 85, of Grayling Township died Saturday, October 26, 1985 at her residence. Funeral services were held Tuesday, October 29, 1985 at 11:00 a.m. at the St. Mary's Catholic Church, Grayling, with the Reverend James Mausolf officiating. A Rosary was recited Tuesday evening at 8:00 p.m. at Sorenson Funeral Home. Committal services will be 1:00 p.m. Wednesday, October 30, 1985 at Holy Sepulchre Cemetery in Southfield.

Pallbearers were members of the Fr. Reiss Council #1902 Knights of Columbus of Grayling.

Mrs. Hoover was born April 20, 1900 in Philadelphia, Pa., the daughter of Herbert & Molly (Trudeau) Hendry. She was married to George Hoover for 35 years and he preceded her in death. On February 15, 1958, she married Thomas A. Hoover, brother of her first husband. Mrs. Hoover was a homemaker and lived in Detroit until moving to Grayling in 1958. She was a member of St. Mary's Catholic Church, DAV Auxiliary, and St. Mary's Altar Society.

Survivors include her husband, Thomas A. Hoover; 4 sons, George Hoover of Anchorville, Thomas Hoover of Detroit, Burt Hoover of Oak Park, & Maurice Hoover of Fresno, California; 4 daughters, Audrey Landon of San Dimas, California, Shirley Rukes of North Lauderdale, Fla., Carol Gervias of LaVerne, California, and Malvina Scarlett of Pontiac; 1 sister, Marie Edgar of Philadelphia, Pa.; 2 brothers, William Hendry of Garden City, and Joseph Hendry of Bodfish, California; 21 grandchildren; 10 great grandchildren; and 1 great great grandchild.

### Fiber

Put more fiber in your diet with whole grain cereal products, fruits, vegetables and beans.

### Friday Services For Eric M. Hanson

Eric Michael Hanson, 18 months, of Grayling died Wednesday, October 23, 1985, at Mercy Hospital. A Rosary service was conducted Thursday, October 24, 1985 at Sorenson Funeral Home. Funeral services were held Friday, October 25, 1985 at St. Mary's Catholic Church with the Reverend James Mausolf officiating. Burial was in Elmwood Cemetery.

Pallbearers were Wayne Wells and Dan Bonanie.

Eric was born April 15, 1984, in Grayling to Patricia and Scott Hanson.

Survivors include his parents, Scott & Patty Hanson of Grayling; sister, Amy; grandparents, Marilyn Hanson of Grayling, David & Sherry Hanson of Lansing, O.J. and Wanda Tubbs of Star City, Arkansas, and Charles and Jackie Fye of Murfreesboro, Tennessee; great grandparents, Francis Hanson of Grayling, Gladys McLean of Alpena, Frank and Pearl Yake of Lexington, and Arnold and Ruth Strang of Lewiston.

### RSVP Reports

Olga Miller has donated a delightful Mother Goose for a Christmas drawing. Thanks Olga, for all the long hours put into it.

This week we have lots of request for volunteers:

### NEEDED:

1. Tutor one to one in middle school to help read, also;
2. Person to help tape material out of textbooks at the middle school, also;
3. Someone to help in the library in Frederic, also;
4. Some basic clerical work (answering phone, taking messages out to the High School in the Community School office.

Don't forget your time sheets should be turned in by the 1st of the month, in order to get you mileage and meal reimbursement. We are unable to call because of the increase in volunteers.

Current RSVP volunteers or those who would like to be, can get into the volunteer spirit, with new job assignments. Just call our office for further details or stop by at 308 Lawndale.

Our office is open Monday - Friday 8:30 a.m. - 4:30 p.m. Our phone numbers are 348-4341 or 348-8322.

Stop by and see our Christmas card selection that RSVP volunteers have made. They are really beautiful and creative.

### Services Held For Betty June Grad, 60

Betty June Grad, 60, of Beaver Creek, died Thursday, October 17, 1985 at Mercy Hospital, Grayling. A Rosary was said on Friday, October 18, 1985 at Steuermann Funeral Home, Roscommon. Funeral services were held Saturday, October 19, 1985 at St. Michael's Catholic Church with Father John Tamulis officiating. Burial was in Pioneer Cemetery, Roscommon.

Mrs. Grad was born April 16, 1925 in Detroit, Michigan, the daughter of Joseph & Beatrice (Hale) Grad. She was a homemaker and lived in Mt. Clemens before moving to Beaver Creek nine years ago. Mrs. Grad was Past Auxiliary President of the American Legion Post #4 of Mt. Clemens, a former member of the Grayling Eagles, and a member of Channel 12 CB under the name of "Cement Mixer".

Survivors include her mother, Beatrice Brothers of Island, N.J.; her husband, Joseph; 5 sons, Douglas Brunnemer of Roseville, Randy Payne of Mt. Clemens, Robt. Grad of Roscommon, Larry Payne of Mt. Clemens, Leslie Payne of Detroit; 3 daughters, Mrs. Ronald (Kathie) Leon of Roseville, Mrs. Michael (Peggy) Burchett of New Baltimore, Mrs. Frank (Cherie) Diemert of Roscommon; a sister, Irene Lawson of Stratton, Pa., a brother, Duke Brothers of Islands, N.J.; 21 grandchildren, and 1 great granddaughter.

### Moose News

We will be having a Halloween Party for all the children in the community on Thursday, October 31st from 6-9 p.m. We will be having hot dogs, chips, and other "goodies". We will also be having several games including a costume contest. So bring your children down to join in the fun.

We will be holding Western Night on Saturday, November 9th starting at 7:00 p.m. Everyone is asked to come dressed in western attire. Music will be provided by our local musicians. There will also be a steak dinner on this day starting at 5:00 p.m. and ending at 9:00 p.m. The cost will be \$5.00 and will include salad, baked potato, roll, dessert, and coffee. We will also have a drawing on a 30/30 rifle at 10:00 p.m.

On Saturday, November 16th, we will be having a Hunter's Ball. Everyone is asked to bring a dish to pass, the lodge will provide the meat dish. Music will be provided by Ron & Kristy. Dinner will start at 7:00 p.m.

We are still desperately in need of workers for Bingo on Sunday and our Friday Night Fish Fry. One night a month of your time would mean so much. So stop in the lodge and sign up. This is your lodge too and we're all working for the same goals. So please volunteer.

Our next meeting will be on November 6th at 8:00

## Trick Or Travelogue

## The Best of Hawaii To Be Halloween Treat

On Halloween evening, October 31, the Crawford AuSable Community Education Program will present its next travelogue of the season in the Grayling High School Auditorium. Doors will open at 6:45 and the show will begin at 7:30 p.m. Tickets will be available at the door. Appearing on that evening will be nationally recognized lecturer-photographer Fred Hartman who will be narrating his film of breathtaking beauty, "The Best of Hawaii."

On your Halloween visit to Hawaii, you'll visit the city of Hilo, near which are Rainbow Falls and the Boiling Pots. You'll visit the former location of the town of Kapoho, buried during the 1960 volcano. You'll tour Hawaiian Volcanoes National Park and its half-mile wide firepit named Halemaumau, Devastation Trail and recent volcanic activity along the Chain of Craters Road. You'll visit City of Refuge National Historic Park and the fishing town of Kailua. On the east side of the island of Hawaii you'll have a breathtaking view of the 4200 feet high Akaka Falls.

On the island of Maui you'll visit the famed Lao Needle and ride a narrow gauge sugar cane train. You'll hike into the volcanic crater of Haleakala National Park and drive the world's most spectacular and dangerous roads making over 600 turns in about 50 miles.

On the island of Kauai take a boat to the Fern Grotto and see Waialeale Falls, the Tree Tunnel and Spouting Horn. Kauai's big attraction is Waima Canyon known as the Grand Canyon of the Pacific. In addition you'll see sugar cane processing and climb to Kalalau Lookout.

On the island of Oahu lives 80% of Hawaii's population and there you will visit all the well known Hawaiian attractions. The city of Honolulu and Waikiki Beach. You'll go into the famed Arizona Memorial and visit the National Cemetery of the Pacific. Come along to Hawaii on Halloween and visit with Fred Hartman one of the world's most captivating places.

## Almanack

### Some Positive News For a Change

by Richard Milliman

PEOPLE COMPLAIN about the newspapers carrying nothing but bad news, week after week. So here's my offering for some positive news for a change.

I've never met a young man named Rob Rinck, but I think I'd like him.

Rob Rinck is a high school distance runner at Waverly High School near Lansing. He's pretty good too. At an invitational meet a few weeks back Rob Rinck finished out of the money, but in my view his stature gained quite a bit anyway.

Runners from 12 high schools in the area were gathered at Waverly to compete. As the run got underway on the designated cross-country route over a golf course, all-star Rob Rinck was leading the pack as he and the eventual winner, Dave Feighner from Howell, approached the two-mile turn.

HOWEVER, the route had not been clearly defined and both runners went the wrong way. Feighner ran about an extra 100 yards before sprinting back and returning to the proper course while Rinck apparently cut inside and was quite a way ahead of his nearest competitor, Feighner.

So Rinck slowed down and let Feighner and the other runners in the pack catch up to him.

Soon Rinck and Feighner were out in front again. Feighner pulled ahead and came in first with Rinck finishing second, 12 seconds behind the winner.

But Rinck was disqualified for cutting across the course at the ill-marked two-mile turn, which several other runners apparently missed too.

WHAT WAS the young runner's reaction?

"I was not robbed," said Rob Rinck, "I was beat flat out."

Contrast this response to some of the attitudes and statements you hear from professional athletes. As to Rob Rinck's decision to wait at the turn for the other runners to catch up, just contrast that with the me-first actions of other people in all fields who will press every advantage, regardless of its propriety.

I'll take Rob Rinck. He sounds like a fine person. Here's a member of the so-called younger generation with what appears to be a fine set of values.

So that's a bit of positive news in the newspapers this week.

THE LETTERS-TO-THE-EDITOR section of a newspaper is usually an interesting place to look for entertainment. Sometimes you can find wit as well as wisdom.

A case in point is a recent missive to The Detroit Free Press from reader Jay H. Taylor of Flint, boosting the potential candidacy of Lee Iococca for the White House.

"In regard to Lee Iococca running for president, I submit that the best way to get him to run is to have Congress resign in body for a period of two to four years," writes Mr. Taylor.

"I do not think Congress should reject this idea out of hand. I am sure its members have some rules some place that would enable them to take this time off without having to give up any pay or benefits. Perhaps they could go on junkets to various places that need to be inspected first hand."

"DURING THIS period, Iococca could bring the budget into balance, correct the trade imbalance and bring the Soviets to heel. At the end of the period Congress could return, claim credit for the improvements, and devote their energies to unbalancing the budget again."

The Taylor Plan has a certain appeal you'll have to admit. As a matter of fact, I wish I'd thought of it first and proposed it in one of these columns.

Is it wisdom or is it wit? Either way it's submitted her as another example of a bright spot in your newspaper.

HERE'S ANOTHER bit of bright advice: If you're feeling tired, you've got a right.

If you are an adult of average weight here is what you accomplish every 24 hours:

Your heart beats 103,689 times, your blood travels 168,900 miles, you breathe 23,040 times, you inhale 438 cubic feet of air, you eat 3.25 pounds of food, you move 750 muscles, and you exercise 7,000,000 brain cells.

No wonder it's tough to get out of bed in the morning.

## Puppet Theater at Kirtland Nov. 10th

Das Puppenspiel, the unique "theatre with puppets," will perform "Pictures at an Exhibition" and "From Bones to Bunraku" on Sunday, November 10th at 3 p.m. in the Gilbert I. Stewart Auditorium at Kirtland Community College. This will be the second event of Kirtland's Performing Artist Series.

Founded in 1974, Das Puppenspiel is an ensemble of talented visual and performing artists with a dedication to high quality puppetry and performance. By consistently producing beautifully crafted, stimulating and entertaining puppet theatre, the company has established a reputation for excellence.

P.M. Magazine said it best, "spellbinding...magic for both children and adults."

Inspired by Moussorgsky's musical masterpiece, "Pictures of an Exhibition", Das Puppenspiel creates a variety of puppet types bringing to life widely varying and highly imaginative musical vignettes. Comedy and drama are interspersed to create a whimsical and dramatic journey through a childhood spent in the realm of imagination.

"From Bones to Bunraku" is an enchanting performance piece that will introduce the audience to the magical world of puppetry. Using interesting vignettes and a variety of puppets, including string marionettes, Punch and Judy hand puppets, shadow puppets, and Japanese bunraku, this program will explore the evolution of puppetry.

Tickets for Das Puppenspiel are \$5.50 for adults, \$4.50 for senior citizens and students, and \$2.00 for children 10 and younger. Tickets are available at: Roscommon Hardware, Higgins Lake True Value Hardware;

### La Leche League Meeting Nov. 7

If you have considered breastfeeding your baby, but have questions about this womanly art, contact the Grayling-Roscommon La Leche League. This month's meeting, "The Art of Breastfeeding and Overcoming Difficulties," will be held on Thursday, November 7 at 7:30 p.m. at 610 W. Sunset Drive, Roscommon.

La Leche League tells a simple story about a simple, natural function. Emphasizing the joys of breastfeeding, it is designed to encourage and inform mothers who desire to nurse their babies.

The meeting discussions include the latest medical research, as well as personal experience.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

## Doodles From The Tall Timber

by Wendell L. Hoover

There are many species of trees growing in the soil of the park. One of which was named l'arbre 'de vie, or "tree of life" by the King of France about 1542. The French explorer Jacques Cartier spent the winter in the lower St. Lawrence River area during 1541-1542. During that winter many of his men died of scurvy. So many died in fact that the situation was reaching the critical point, when the Indians showed Cartier how to make a brew from the leaves of the White Cedar that would cure the disease.

The tree is still called "Arbor Vitae", which is latin for "Tree of Life." Most of us are familiar with the Cedar because it is such a common tree in Northern Michigan.

One source I have states it is a tree of northern distribution, occurring in low swamps and along the banks of streams. This source goes on to say that the wood is light, soft, brittle, fragrant, and durable in contact with the soil. Oil of cedar is distilled from its leaves and wood as well as the more obvious use of the wood for posts, rails, shingles, spools, boxes and lumber.

The White Cedar is perhaps more important as a source of nutritious food for deer and rabbits as well as finding extensive use as an ornamental tree and in hedges. In its natural state it may attain a height of 25 to 50 feet and a diameter of one to two feet.

Flowers by Josie in Grayling; Kirtland College Bookstore; the Houghton Lake Chamber of Commerce; and at the Houghton Lake Superintendent's Office.

For further information, contact Kirtland Community College at 517/275-5121.

### Drunk Driving Task Force Issues Final Report

Warren M. Hoyt, Exec. Dir., MPA

The state's Drunk Driving Task Force recently ended its statutory existence with a final report outlining 39 recommendations, including a call for temporary highway sobriety checkpoints, but the chairman of the task force said it's demise comes as the state is just getting data on the effects of the 1982 drunken driving laws.

That law, among other things, stiffened fines, prison terms and license actions for driving under the influence of alcohol.

District Judge Kenneth Hempstead, chairman of the task force, said he was confident that many of the recommendations made by the group would eventually become law despite sharp political opposition to the checkpoint proposal.

He was also disappointed the commission was disbanded despite a request to the Legislature that its life be extended, but said that some organization at some time would have to begin monitoring the effects of the drunken driving laws.

Probably the most controversial proposal the committee made was for highway checkpoints, which Hempstead said was "political dynamite," but he defended the proposal saying that in other states it had been shown to help keep drunken drivers off the road.

And he did not give up hope that the proposal would eventually become law. "Things change over the years," he said.

The Legislature, in a 1984 law authorizing the task force to continue until

October, 1985, added a prohibition against the task force instituting any checkpoints program.

The task force recommendations, many of which were in earlier draft reports, also include:

Legislation preventing court appeals of license suspensions and revocations issued by the Department of State.

Legislation earmarking fines collected from drinking and driving offenses toward enforcement efforts.

Special community and school programs on the effects of drunken driving.

Legislation authorizing as admissible court evidence the refusal of a person to take a breathalyzer test and a person's record provided through the Law Enforcement Information Network.

Strict enforcement of the state's seatbelt bill.

A feasibility study on enacting a "per se" rule that would permit police officers to take driver's licenses of persons refusing breath tests, or who tested with a blood alcohol level at 10 percent or above. Hempstead said a proposal to enact the per se requirement may be presented to the Legislature soon.

Mandatory liability insurance for all bar owners as part of any changes to the dramshop act.

Legislation for centralized reporting of all drunken driving cases from the time of arrest to final disposition of the case.

## House Extends Daylight Savings Time: Cong. Schuette Opposes

Washington - Daylight savings time would be extended for one month if a bill passed by the House Tuesday becomes law. Congressman Bill Schuette voted against it.

"Those who think we should have more daylight savings time should come with me early on a bitterly cold mid-Michigan morning," said Congressman Schuette. "They would see what a mistake it would be to force school children to walk on icy roads without sidewalks or to wait for school

buses in pitch darkness.

"On top of that, farmers and their families are suffering under the worst economic conditions since the depression. Many have to hold down second jobs in town just to hang on. Without that extra hour of morning sun under standard time, they would have to do their chores in the icy dark. That's out of the question."

The House voted to extend daylight savings time for an extra three weeks in April and an extra week in November. The bill now goes to the Senate, where it is expected to have opposition from mid-western senators who dominate the Commerce Committee considering the legislation.

## Saint Francis Holds Bazaar

Christmas shopping early? You are invited to come to the bazaar at Saint Francis' Episcopal Church on Friday, November 1st and Saturday, November 2nd.

In their grand tradition, the Bazaar Workshop has created many lovely things for your personal delight. As in past years, the Bake Shoppe will be open, with lots of delicious goodies, as well as the Attic Treasures Shoppe, with special treasures from all sorts of places.

Something new this year will be the serving of a luncheon of sandwiches and salad from 11:00 a.m. to 1:00 p.m. on Friday, so plan on having lunch with us that day.

In addition to the bazaar, we will be holding a drawing for a porcelain doll, created and crafted by a very talented lady from St. Francis; Eleonore Shattuck. The doll is exquisite and truly worth becoming a family heirloom. Tickets for the drawing are \$1.00 or \$5.00 and can be purchased at a special drawing table during the bazaar.

The church is located on M-72 West on the south side of the road right next to Cups & Cones, and doors will be open from 10:00 a.m. on Friday and 10:00 a.m. until 2:00 p.m. on Saturday. Come and enjoy our hospitality!!

### Calories

The average kiss burns up to 12 calories.

## Veterans Day Party at Legion Nov. 9

There will be a Veterans Day party at the American Legion on November 9, 1985, at 8:00 p.m. There will be a small cover charge at the door as we will be having D.J. Fred Hinkle for our entertainment. We are having pot luck and a small cash bar.

We are looking for Veterans to join the Post. Eligibility dates of service are World War I April 6, 1917 to Nov. 11, 1918, World War II Dec. 7, 1941 to Dec. 31, 1946, Korean Conflict June 25, 1950 to Jan. 31, 1955, Vietnam era Dec. 22, 1961 to May 7, 1975. The party will be open to the public, and we hope to see our members, wives and husbands. See you there!

### CARD OF THANKS

I would like to thank Dr. Gosling and the nurses for the wonderful care I received while a patient at Mercy Hospital. Also Rev. Regan for his prayers and the Frederic ambulance crew.

I would like to thank all my friends for their visits, cards, flowers, and gifts.  
 Vi Middleton

## Diabetes Detection Week In Michigan Nov. 3-9

Governor James J. Blanchard has declared November, 1985, as Diabetes Month and November 3 through 9, 1985 as Diabetes Detection Week in Michigan. The Michigan Affiliate of the American Diabetes Association will sponsor free diabetes screening tests throughout Michigan in cooperation with over 180 hospitals and health facilities during Diabetes Detection Week.

It is estimated that there are approximately 600,000 people in Michigan who have diabetes, and 240,000 of these are unaware that they have it. The purpose of this drive is to identify these people and to alert them to the need for proper treatment. The earlier diabetes is detected, the better. Diabetes with its complications is the third leading cause of death by disease in the U.S. Diabetes causes heart disease, kidney disease and blindness.

The testing is limited to those over 18 years of age and persons who have not previously been diagnosed as diabetic. To assure an accurate test, it is important to

eat a high carbohydrate meal, one with large amounts of starches and sugars, two hours before the test. A good breakfast to have before the test, for example, would be fruit or juice, cereal with milk and sugar, two slices of buttered toast with jam, and coffee or tea. A person planning to take the test after lunch could have a bowl of soup, a sandwich, cake or pie for dessert, and a glass of milk. The meal should be eaten within a 15-minute time period and nothing else except water should be taken before the test. The name and address of the family physician is needed for follow-up.

People who are over 40, overweight, and blood relatives of persons with diabetes are particularly urged to take the test since they are in the "high risk" group of those most likely to develop diabetes. The most common symptoms of diabetes are excessive thirst, frequent urination, blurring vision, constant hunger, or the slow healing of cuts and scratches. The disease, however, may be present without any symptoms.

Although a year-round effort is made to educate the public about the seriousness of diabetes, a more concentrated effort is made during the month of November.

On November 11, from 9:00 p.m. to 11:00 p.m., LIFETIME cable network will present "Diabetes: Update '85". The two-hour live program, produced in cooperation with the American Diabetes Association, and sponsored by Squibb-Novo, Inc. will allow viewers to join millions of other cable subscribers across the country in learning first hand about the disease. Nationwide, viewers will be able to call this toll-free number - 1-800-828-LIFE - and have their specific questions on diabetes answered by a panel of doctors who specialize in treating diabetes. Consult your cable TV listing for local time and channel.

For further information contact the American Diabetes Association at (313) 552-0480 in Southfield; (313) 732-3086 in Flint; or (616) 243-8477 in Grand Rapids.

The free diabetes screening sites in Grayling will be in the Northwing Lobby of Mercy Hospital, 1100 Michigan Ave., Wednesday & Thursday, November 6 & 7, 1:00 p.m. to 3:30 p.m.

American Viewpoints

A pound of pluck is worth a ton of luck.  
 James A. Garfield

## Volunteers Meeting

Wednesday, October 30, 1985, the Wolverine Territory will host a training session for all those interested in volunteering at the Gaylord V.A. Clinic. Meeting at Chalet Center, 10:00 a.m. till 2:30 p.m. Lunch will be provided.

**GHS STUDENTS IN 1986 MERIT PROGRAM** — Cris McLaughlin and Kevin Reynolds have been designated Commended Students by the National Merit Scholarship Corporation in the 1986 Merit Program. Cris is the daughter of Gary & Pat McLaughlin, of Grayling, and Kevin is the son of Kent & Mary Ann Reynolds, also of Grayling. GHS principal Carl Naghtin and GHS counselor Vicki Dawson hand the seniors Letters of Commendation in honor of outstanding academic promise, demonstrated by placing in the top five percent of over one million participants in the 31st annual National Merit Scholarship Program. Participants entered the current Merit Program by taking the PSAT/NMSQT in October 1984, when most of them were juniors.

### Viking Band Boosters

We have a name! We are officially now known as the Viking Band Boosters Club. The bleachers were sparsely populated at the Viking football game against Charlevoix, but the band performed as if to a packed audience. After the pre-game selections of Wave the Flag and the Star Spangled Banner, the band outdid themselves at halftime.

Directed by Drum Major Stephanie Hindmarsh, the first song was a repeat of Advance of the Roman Soldiers followed by Battle Fatigue, commonly called "Joshua". Featuring the rhythm section (Tim Pernie - bass drum, Jay Ramsey - snare drum, Jenny Dotycymbals, Angie Larson - xylophone) playing Joshua, the remainder of the band rested their instruments and performed Hand Flash. The white gloved hand movements in unison to the music of the rhythm section was an impressive addition.

The third selection was Fiesta which put Telaina Sanderson in the spotlight with a trumpet solo. The final number was the song "I'm So Excited!" during which the Flag Corps (Julie Brooks, Heather Derenzy, Karmen Hagerman, Christy Best, and Kim Cole) demonstrated the flags. Mrs. Nancy Brooks has done an excellent job of developing this area of the band.

Don't miss the last football performance of the year at the Viking vs Onaway game on Friday, November 1st at 7:30 p.m. on the home field.

### Donna O'Grady is New Volunteer Supervisor

Robert A. Porter, Director of the Crawford County Department of Social Services, is pleased to announce the appointment of Donna O'Grady as a Volunteer Services Supervisor for Crawford and Otsego Counties.

O'Grady has been with the Department of Social Services for eleven years and has worked in Alpena, Kent, Montmorency/Oscoda and Crawford Counties prior to this appointment. As a Volunteer Services Supervisor, O'Grady is responsible to mobilize volunteers and develop community resources to meet local needs.

Volunteer activity includes transportation, parent aides, friendly visitors, youth companion, protective payee, telephone reassurance and case aides.

Community resource development involves consultation with community agencies and groups to assist in the development of programs to provide for unmet needs of D.S.S. clients.

Persons interested in becoming a volunteer or in community resource development can contact O'Grady by calling the Crawford County Dept. of Social Services at 348-7691.

### Travelogue To Be Presented at H.L.

The travelogue "A Journey Through Spain" will be presented by Ted Bumiller in the auditorium of Houghton Lake High School November 7 at 7:30 p.m.

Bumiller, a young Cincinnati architect, started traveling in his high school days. His first rugged trip was by canoe 600 miles north along the Albany River to Hudson Bay in Canada. On this trip he and his companions almost lost their lives running "Speckle Trout" rapids, four miles of white water. Canoe smashed, given up for lost, an Indian found part of their equipment and reported to the Mounted Police. They were found seven days later and in time were flown out by sea plane to safety.

"A Journey Through Spain" is Bumiller's latest travelogue. The glory of Spain is captured through its architecture, sculpture and its people.

Whether you travel or not this motion picture will bring you closer to the magic quality of Spain and its clear land and sparkling seas.

Tickets are \$2.50 for adults and \$1 for students. For more information contact the Houghton Lake High School switchboard (366-5376).

### Resource Review

By Bruce Patrick  
Conservation Officer

Recent events have caused fundamental changes in the way Conservation Officers perform their duties. First of all, a federal court decision (Garcia vs. San Antonio) regarding the Fair Labor Standards Act has resulted in C.O.'s being told to not work more than 85 hours in a two week period. Up to now, officers were paid a 10% overtime in lieu of overtime for hours worked in excess of 80 per two weeks. The Garcia decision says that premium overtime must be paid for those hours. The result is that instead of officers donating many hours to resource protection, they have been ordered not to work.

Secondly, the Attorney General's office has advised the DNR that there may be a liability problem if other department personnel assist Conservation Officers in law enforcement functions. Therefore, there will be no help for C.O.'s this deer season. (Officers were told not to use civilian Volunteer Conservation Officers for the same reason earlier this year).

Thirdly, due to the politics involved, the proposed hunting/fishing license package appears to be going no where in the state legislature. This will mean no additional officers being hired to fill the gaps.

This all boils down to effective resource enforcement effort being cut by 50-75% as officers work fewer hours and double up with other officers instead of V.C.O.'s or other department personnel.

A solution to the situation lies in the Governor's office, the Legislature and the DNR Director's office. Public input may move them along.

### Free Diabetes Test Nov. 4 - 8

Diabetes can be dangerous if left undetected and untreated. Uncontrolled diabetes can lead to blindness, kidney failure, heart attack and stroke. A person who knows he has diabetes and controls it usually leads an active and productive life.

The American Diabetes Association urges you to take a free diabetes test during National Diabetes Detection Week, Nov. 4 through Nov. 8 at Grayling Mercy Hospital. The hospital will offer free screenings on Nov. 6, from 1:00 p.m. to 3:30 p.m. and Nov. 7 from 1 to 3:30 p.m. The testing will be in the hospital lobby.

Those interested in the test should arrive at the test site within two hours after having eaten a meal that is high in carbohydrates. The screening is not effective or accurate unless within this time frame.

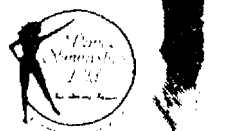

For further information on the diabetes testing, contact Mercy Hospital, Public Relations Dept. or Laboratory, 348-5461.

## State Police Fall Auction

The Michigan State Police will hold its annual Fall Auction Thursday, November 7, at the National Guard Armory, 2500 S. Washington in Lansing beginning at 9:00 a.m.

In addition to the usual cameras, bikes, radios, stereos, televisions, and jewelry offered for sale, bidders will find some unusual items as well. A baby cradle, an antique china hutch, a bean bag chair, a snow blower, and two canoes are among the items that will go to the highest bidder. The auction ends when the last item is sold. Terms are cash and the items must be removed the day of the sale.

Last spring's auction netted more than \$40,000. Items offered are either lost or recovered property or have been forfeited to the State under the Narcotics Forfeiture Act.

**GRAYLING LIONESS CLUB** — The Grayling Lioness Club held a car wash at Van's Lumber last month. The women were all dressed in formal which made for a very exciting and also profitable day. The proceeds totaled \$185.00. The Ford Garage helped our sales by having 34 of their cars washed. The ladies are grateful to all their friends who helped out with this project. (Lioness Angela Kirkum, Publicity.)

## Pornography Awareness Week

Free Methodist churches across North America are joining with thousands of other churches in the fourth annual Pornography Awareness Week October 27 - November 3. More than 1000 Christian leaders have pledged to join in a boycott of sponsors of sex, violence, profanity and anti-Christian television programs. The groups, supporting the efforts of the National Federation of Decency, includes the heads of 69 Christian denominations; approximately 200 United Methodist, Catholic, Greek Orthodox Lutheran and Episcopalian bishops; approximately 200 Southern Baptist Directors of Missions and United Methodist District Superintendents and more than 200 Christian broadcasters.

This ground-swell of concern is in response to the continuing rise in rape, sexual abuse of children and other forms of violence, along with the mockery of Christian-Judeo values of the family and home by many TV programs.

Due to large quantities of pornography confiscated by police officers during child molestation arrests, many law enforcement agencies now say that there is a clear and direct relationship between pornography and sexual molestation of children. The National Journal of Decency reports in a 1983 study, funded by the Office of Juvenile Justice and

Delinquency Prevention in cooperation with the American University in Washington, D.C., that adult-child sex is presented in three of the most widely-circulated pornographic magazines, "Penthouse," "Playboy," and "Hustler." Researcher Judith Reisman found that 29% of the cartoons depicting children showed the child involved in a "murdering or maiming" activity, and that 28.8% of the cartoons depicted children having sex with older people. Cartoons and photographs were studied because the graphic message is accepted without question into the memory.

Franciscan Father Bruce Ritter, founder of the New York-based runaway shelters known as Covenant House, faults not only those who market pornographic materials for the abuse and prostitution of young runaways but also an entire nation of adults who indirectly support the merchandising of young people by patronizing stores which sell pornographic magazines and by buying products promoted with sexual messages. "We reward those who use sex," he said. Ritter, who works daily with children who have been abused, says that it is intellectually dishonest to say that there is no connection between pornography and sexual abuse.

Through the efforts of the National Federation of Decency, 7,000 stores have decided not to sell pornographic magazines in their places of business. An effort continues to persuade Southland Corporation, parent company of 7-Eleven stores and the nation's largest retailer of pornographic magazines, not to sell pornographic magazines.

## Trick or Treat FOR UNICEF

The diseases of poverty take the lives of 40,000 of the world's children every day. That's 15 million every year, a staggering loss to the entire world. The numbers may seem overwhelming, but UNICEF - the United Nations Children's Fund - can prevent half of these children's deaths. And the citizens of Grayling can help.

How many of you remember the little orange box on Halloween? Chances are good that you went "Trick-or-Treating for UNICEF" as a child, and that your children are continuing the 35 year-old tradition today. Those nickels, dimes and dollars we collected have raised over \$80 million for needy children in developing countries. There are still millions of children in Asia, Africa and Latin America who desperately need our help on National UNICEF Day.

On October 31st, National UNICEF Day, Grayling citizens of all ages can show their concern for the children of the world. The Middle School Spanish classes will be collecting this week. We would appreciate your support in our effort to help the lives of many of the children of the world.

### Right Side

When cooking, match the size of pots to the range units. Heat is wasted when the pot is smaller than the unit.

## 4-H News

Jan Olson and her daughter Geri have been attending the All American Quarter Horse Congress. This is the largest quarter horse show in the world. It is being held in Columbus, Ohio from Oct. 18-27th.

The 1985 Leader Recognition Dinner was held Tuesday, Oct. 22. All of the 1984 4-H Leader Council members were reinstated into office. Speakers were Roy Spangler, Co-operative Extension Service Director, Crawford and Roscommon Counties, Barbara Miller, 4-H District Extension Leader, and Pamela Fisher, Director, Crawford AuSable Day Care.

Leader recognitions were presented by Ann Stephenson, 4-H Program Assistant and Barb Miller. A special Leader Award for outstanding service was awarded to Karen Langseth. A special Thanks to all leaders, teen leaders and community volunteers.

Don't forget to support your local Soccer, ending for the season, Wed., Oct. 30, under the lights.

"Savor It!" is almost here. For the best cookbook in years contact the Cooperative Extension office 348-2841 (Ext. 264 or 265).

## Retirees To Meet

## NOTICE TO GENERAL TELEPHONE OF MICHIGAN CUSTOMERS

### NOTICE OF OPPORTUNITY TO SUBMIT COMMENTS

General Telephone Company of Michigan (General) has asked the Michigan Public Service Commission (MPSC) for authority to establish an extended time period to implement the Detariffing of Customer Premises Equipment (CPE). On August 27, 1985 the MPSC issued an Order in Case No. U-8220 which established the procedure to be followed by independent telephone companies in Michigan, including General, in detariffing embedded CPE. The Order authorized any company to petition the MPSC for an extension of time to recover its embedded CPE investment in order to minimize any incremental increase in intrastate revenue requirement resulting from the implementation of this Order.

General seeks to extend the amortization period for its embedded CPE investment from December 31, 1987 to March 31, 1989 if such extension is necessary to recover embedded investment.

The matter has been docketed by the MPSC as Case No. U-8220 and you may comment on this by sending a letter to the MPSC expressing your concerns and ideas. A member of the MPSC Staff will then contact you to discuss the various alternatives available to you to pursue this matter. Send your comments to the Michigan Public Service Commission at 6545 Mercantile Way, Lansing, Michigan 48910, and reference Case No. U-8220 — General Telephone Company. Your comments must be received by the Commission before November 9, 1985.

## TO THE CUSTOMERS OF MICHIGAN CONSOLIDATED GAS COMPANY

Case No. U-8288

## NOTICE OF GAS COST RECOVERY HEARING

On September 30, 1985, Michigan Consolidated Gas Company (MichCon) filed with the Michigan Public Service Commission an Application for Approval of Gas Cost Recovery Factors for Calendar Year 1986 (Case No. U-8288), seeking authority to reflect in its monthly billings to its retail gas customers gas cost recovery factors commencing with the January, 1986 billing month and continuing through the December, 1986 billing month. As defined in 1982 PA 304; MCLA 460.6h(1), a "gas cost recovery factor" is "that element of the rates to be charged for gas service to reflect gas supply costs incurred by a gas utility and made pursuant to a gas cost recovery clause incorporated in the rates or rate schedule of a gas utility." Such a clause has been incorporated in MichCon's rate schedule as Rule No. 30 following the Commission's Order in Case No. U-7479 dated September 20, 1983, authorizing the clause.

MichCon requests approval of monthly Gas Cost Recovery Factors of \$4.6835 per Mcf (\$4.6007 per Dth) to its customers' bills for each of the 12 billing months of January 1986 through December 1986. MichCon represents that, based upon its 1985 estimated average gas costs of \$4.61 per Mcf, approval of the proposed 1986 factors would raise the annual bill paid during 1985 by an average residential customer using 150 Mcf by approximately \$11 per year.

MichCon's estimated average cost of gas for 1986 and proposed 1986 GCR factors assume the validity and legality of the Federal Energy Regulatory Commission's Order No. 380 which required, among other things, the elimination of purchased gas costs from minimum bill provisions in interstate pipeline tariffs effective July 31, 1984 and the elimination of all variable costs from minimum commodity bill provisions effective with each interstate pipeline's next general rate case. If that Order was not in effect during 1986, MichCon's estimated average cost of gas would be higher and its proposed 1986 GCR factors would have to be increased to recover the higher costs.

In support of its Application, MichCon has filed testimony and exhibits with the Commission giving details of its Gas Cost Recovery Plan, including descriptions of the major contracts and gas arrangements entered into for the purpose of providing gas service during the calendar year 1986. In addition, MichCon has filed testimony and exhibits describing its 5-year forecast of the gas supply requirements of its customers, its anticipated sources of supply, and projections of gas supply costs in light of its existing sources of gas supplies. That 5-year forecast includes a description of relevant major contracts and gas supply arrangements entered into or contemplated by MichCon.

MichCon's filing, including its testimony and exhibits, is available for inspection at the offices of the Commission Secretary, 6545 Mercantile Way, Lansing, Michigan

48910, and at the offices of Michigan Consolidated Gas Company, 500 Griswold Street, Detroit, Michigan 48226.

A Utility Consumer Representative Fund has been created for the purpose of aiding the representation of residential utility customers in energy proceedings. Further information may be obtained from the Chairperson, Michigan Utility Consumer Participation Board, Department of Management and Budget, P. O. Box 30026, Lansing, Michigan 48909.

### NOTICE IS HEREBY GIVEN that:

A. The initial hearing in this matter will be held at 9:30 a.m. on November 18, 1985, in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, which hearing will be in the nature of a prehearing conference and will be held for the purpose of exploring and, if possible, agreeing upon matters which will expedite this proceeding.

B. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before November 13, 1985, an original and 12 copies of a petition to intervene, together with proof of service upon Michigan Consolidated Gas Company, Office of General Counsel, 500 Griswold Street, Detroit, Michigan 48226.

Subparagraph (2) of said Rule 11 provides as follows: "(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis added.)

The Commission will require strict compliance with the above-quoted rule.

C. For each billing month of calendar year 1986, THE GAS COST RECOVERY FACTOR DESCRIBED IN THIS NOTICE HAS BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY APPROVE, REJECT OR AMEND THAT FACTOR.

D. Jurisdiction in this matter is pursuant to Sections 1, 2, 6, 7 and 8 of the 1909 PA 106, as amended, MCLA 460.551 et seq.; 1909 PA 309, as amended, MCLA 462.2 et seq.; Sections 3 and 4 of 1919 PA 419, as amended, MCLA 460.51 et seq.; Sections 4, 6 and 6a of the 1939 PA 3, as amended, MCLA 460.1 et seq.; 1982 PA 304, MCLA 460.6a, 460.6b, 460.6h, 460.6i, 460.6j, 460.6k, 460.6l and 460.6m; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.

## St. John Bazaar-Bake Sale Saturday

St. John Lutheran Church will be holding their annual Christmas Bazaar and Bake Sale this Saturday, November 2nd from 10:00 a.m. on, at their church located at 710 Spruce Street.

The ladies will also be serving Coffee and Danish Apple Cake with Whipped Cream.

Time to pick up some special gifts for Christmas, and also treat yourself to a Danish delicacy.

## Lovells Promotional Association

There will be a meeting at Lovells Township Hall on Monday, November 4, 1985, at 7:00 p.m. All Lovells residents are invited to join a discussion on the Lovells Business Economy. Coffee and doughnuts will be served. Thank you!

Grayling Regional Chamber of Commerce

## Editor's Mailbox

Whitney Madsen  
Crawford Co. Avalanche  
Grayling, Mich.

Dear Whitney,  
I am concerned and frightened by the reports that I hear of and know personally, of children in Grayling using snuff (or chewing tobacco). Yes, I said children - in the middle school - under the age of 16 - it is shocking!

What is even more shocking to me is that many local businesses are selling this cancer producing item to these children.

In the October issue of Readers Digest there is an article, "Sean Marsee's Smokeless Death". It is about a young man who developed mouth cancer at age 18 and was dead within 1 1/2 years, and who in the process had several operations which removed a large part of his face and changed him from a handsome young man to a grotesque looking person. This was the result of chewing!

I am not the only person who is concerned at this point and a number of us will be preparing petitions to circulate to present to the owners of stores who are currently selling this item. We also will be urging everyone that we come in contact with to stop patronizing these stores, if they continue to sell chewing tobacco (& cigarettes) to children.

Certainly, the profit from these items cannot be so important to these store owners that they have to continue to carry these items. However, the very least that they can do is NOT SELL to anyone under the age of 18. If a person is still stupid enough at that age to chew, I guess you can't stop them. It is their life that they endanger, but we can attempt to protect our children.

Parents - if your kids are chewing - they could be dead before they become adults. Check it out!

Concerned grandmother

## Editor's Mailbox

Jack Millikin, Inc.  
Route 5, Box 5058  
Grayling, MI 49738

October 23, 1985

Crawford Co. Avalanche  
Grayling, MI 49738

Dear Sir:

We would like to use your media to thank the Crawford County Sheriff's Department in their handling of the breaking and entering, and safe theft of our business. Officer Jeff Anthony did an excellent job in the initial investigation on the scene plus the follow up over the next two days.

Due to his swift action we had our property recovered and back in our office by the third day. Because of his training he continued on this case extra hours to get as far as possible while all clues were fresh. We are pleased he did and it paid off. He also had the courtesy to keep us informed as to how the case was going.

We would also like to thank the other officers, both County and City, that assisted.

Sincerely,  
Don Millikin,  
President

## Vikings Handle Boyne, Lose Touch vs. Cheboygan

Grayling bounced Boyne city 54-45 Tuesday and kept pace with league-leading Cheboygan until someone played an early Halloween prank on the Vikings and they lost 58-36.

Grayling, last year's champs, and Cheboygan, 9-1 in the conference, were entertaining fans to a close, well-played basketball last Thursday in the GHS gym for the first half. The score was 31-25 starting the second half when trick-or-treat time came early. Cheboygan took all the treats, maintaining an even scoring pace, and the basket played tricks on Grayling.

The Vikings scored 1 point in the third quarter and went on to shoot 1 of 30 from the field for the second half.

"You aren't going to win too many games shooting 1 for 30 in the second half," said Tom Mills, Grayling coach. "They were a good team and I thought we had a chance to get them. We played a good first half. In the second half we had good

DRIVING LAY-UP — Michelle Moore, Grayling leading scorer, drove the length of the court to score on this lay-up. (Jon Thompson Photo)

shots but couldn't buy a basket."

Michelle Moore and Stacey Hinds each scored 6 to lead Grayling. Kim Springer, Dena Thayer, Shawn Denton, and Katherine Kraus each had 4. Jenni Branch scored 2 and Richele Trudeau scored 1.

Against Boyne City, Grayling never trailed. They lead 12-6, 25-20, and 35-27 after

each quarter. Mills said it was a good team victory with everyone contributing.

Springer led the scoring with 16. Moore had 15, Thayer 9, Denton 5, Kraus 4, Trudeau 3, and Hinds 2.

## Film on Spain

### At H.L. School

"A Journey Through Spain," an all color motion picture film, will be presented by Ted Bumiller at the Houghton Lake High School auditorium on Thursday, November 7 at 7:30 p.m.

Mr. Bumiller has traveled extensively all over the world and has produced four remarkable all-color films: By Jeep Around the World, Four Seasons of Scandinavia, Germany, A Summer In Italy and his most recent motion picture, A Journey Through Spain.

The grandeur and magnetism of Spain are superbly photographed in this motion picture. The film ranges over the whole of the peninsula and the life of the people. All is here, from the Roman and Moorish conquest to modern Spain. Castles and cathedrals, mosques and monasteries appear with their magical names: Escorial and Santiago, Alhambra and Montserrat. Everywhere are colorful fiestas-the arts both grandiose and macabre - bullfights, glittering fairs and gorgeous processions.

For more information contact the Houghton Lake High School switchboard. The number is 366-3376.

## Bits O'Talk

Mr. and Mrs. Ernest Larson, Mr. Gerald Larson and daughter, Angie and her friend, Nancy Bacon stopped and picked up Jerry's daughter, Chris at Oakland University and they all attended the Miami/Lions game on Sunday. After dinner, they took Chris back to school and on the way home stopped in Saginaw to see Charles Corwin and family.

## Big Charlevoix Squad Blanks Grayling 21 - 0

A big Charlevoix team bottled up Grayling's offense and beat the Vikings 21-0 here Friday.

Grayling plays its last game of the year here Friday. It will be Parents Night as the Vikings face Onaway.

Against Charlevoix — which outweighed Grayling as much as 50 pounds a man on the line — the Vikings couldn't move much on offense in the first half.

Charlevoix scored twice in the first quarter, on a 9-yard pass and 12-yard run. The extra point kicks were good

## Women of the Moose

Our "Christmas in October" party was a great success. We enjoyed a nice lunch and our White Elephant Bingo. All the money raised will be used for our residents of Mooseheart & Moosehaven Christmas. Thanks to all of you who showed up to support us as well as the Mooseheart committee for such a great job.

The Bowling committee will be having a dinner on Thanksgiving Day, Thursday, November 28th from 2:00-6:00 p.m. This dinner will include Turkey, dressing, potatoes, gravy, fruit salad, sweet potatoes, baked beans, rolls, pumpkin pie and coffee. The price will be \$3.00.

Our next meeting will be on Monday, November 4th at 8:00 p.m.

for a 14-0 lead at half.

George Duncan took the second half kick-off and returned it 45 yards to mid-field. Grayling uses rushing by Tom Miller and two penalties to advance to the 16-yard line. After a first down, Grayling gained only seven more yards on four plays.

In the 4th quarter, Grayling pushed the ball to the 18-yard line but was stopped. Charlevoix scored on a 14-yard run.

The Viking's defense stopped Charlevoix after they had a first down and goal at the 2-yard line with one minute to go in the first half. On third down and a half foot to go, Jim Laurent tackled a runner in the backfield and time ran out.

Jeff Wolcott, Ricky Sprague, Ward Jones, Kevin Hudson, Jason McEvers, and Don Brooks led Grayling with tackles. Ward Jones had an interception.

On offense, Brooks caught a 35-yard pass for Grayling's biggest gain.

The J.V. team lost 30-14

giving up three long touchdown plays.

Paul Anteau gave Grayling its first touchdown on a 55-yard run. Anteau also got the two extra points on a great run off a sweep.

Anteau's running tied the game 8-8 before Charlevoix scored on a 40-yard reverse, a 45-yard draw play, and a 40-yard pass.

Chris Skidmore threw a 65-yard touchdown pass to Craig Hudson for Grayling's other score. The Vikings moved the ball well against Charlevoix, and Kevin Kamph put Charlevoix in poor field position with several good punts.

**Grayling Baptist Church  
To Dedicate Building**

Sunday, November 3rd at 2 p.m. will be a very special time for the members of Grayling Baptist Church. We will be holding dedication services for our church at 501 Michigan Avenue. It will mark an important event in the history of our church. The church was begun only a year and a half ago in the home of Pastor Donn Broeker. He and his wife Dianne serve as Missionary Associates with the Home Mission Board, Southern Baptist Convention.

On June 3, 1984, the pastors living room was set up for worship and the first services of Grayling Baptist Chapel took place with 14 in

attendance. This was just the beginning of the Lord's working to build this church.

The church continued to grow and on Feb. 23, 1985 was constituted as Grayling Baptist Church. We quickly outgrew the house and met to worship at Hanson Hills in the museum.

We continued to seek the Lord's will for a permanent church home and by the end of July we were able to move into the church building on 501 Michigan Avenue and purchase it on Sept. 3, 1985.

We are grateful to the Lord having led us this far in the task He has given us and invite the public to the dedication of this building for the worship of God and the furtherance of His kingdom.

**4-H Halloween  
Dance Oct. 31**

When: Thursday, Oct. 31.  
Where: Grayling Middle School.

Attention Middle School students. You're invited to a dance between 6:00 and 8:00 p.m. The cost is \$1.00. There will be music and refreshments. Some of the chaperones will be supervising games; Prizes will be awarded to the winners. Prizes will also be given out for various costumes. Come, have Fun!

**CARD OF THANKS**

I wish to express my thanks to Doctors Lamie, Thiel, and Halter and all the hospital staff for the wonderful care I received during my recent stay in the hospital following my accident.

Also I would like to thank Reverend Regan, my family, friends, neighbors, and co-workers who have shown me so many acts of kindness in their cards, gifts, flowers, letters, offers of help, and words of comfort.

Forever grateful,  
Jane Larson

**Bits . . . . . by Fay**

Brian Wilson, son of Liwyn and Joyce Wilson took his discharge from the U.S. Marines at New River, North Carolina, and arrived home October 18. During his four-year tour of active duty, a part of it was spent in Lebanon with the Peace-keeping Force.

Mrs. Jane Larson had the misfortune to fall at her home and break her ankle. Miss Toni Trudgeon is substituting for her in the first grade at Grayling Elementary.

Bob and Fay Bovee attended a Michigan Kiwanis Foundation meeting in Mason on Sunday. On Wednesday evening, Harold Hatfield, Richard Rasmussen and Bob Bovee attended the 50th anniversary of the founding of the West Branch Kiwanis Club. Also attending from Grayling were Bob and Evelyn McIntosh as he belongs to the West Branch Club.

Dale and Helen Nicholas attended the Central Michigan-Eastern Michigan University game at Mt. Pleasant on Saturday for the Homecoming. Their son, Jon, is a student at Central and Dale and Helen are both graduates of Eastern. Visiting at the Nicholas' for a week are his father, Troy Nicholas of East Detroit, and his brother and wife, Bob and Sharon Nicholas of St. Petersburg, Florida.

Mr. and Mrs. Robert Knutilla of Albuquerque, New Mexico, spent from Wednesday to Sunday at their cottage at Lake Margrethe. They also visited her parents, Mr. and Mrs. Harry Souders of Grayling, and their daughter and family, Mr. and Mrs. Gary Taylor of Escanaba. Their new grandson, Christopher David Taylor, arrived on October 9, 1985 and weighed 9 pounds.

David Trudgeon, son of Jack and Aggie Trudgeon, will be in Traverse City until January where he is in training as an assistant manager for K mart.

**IN MEMORIAM**

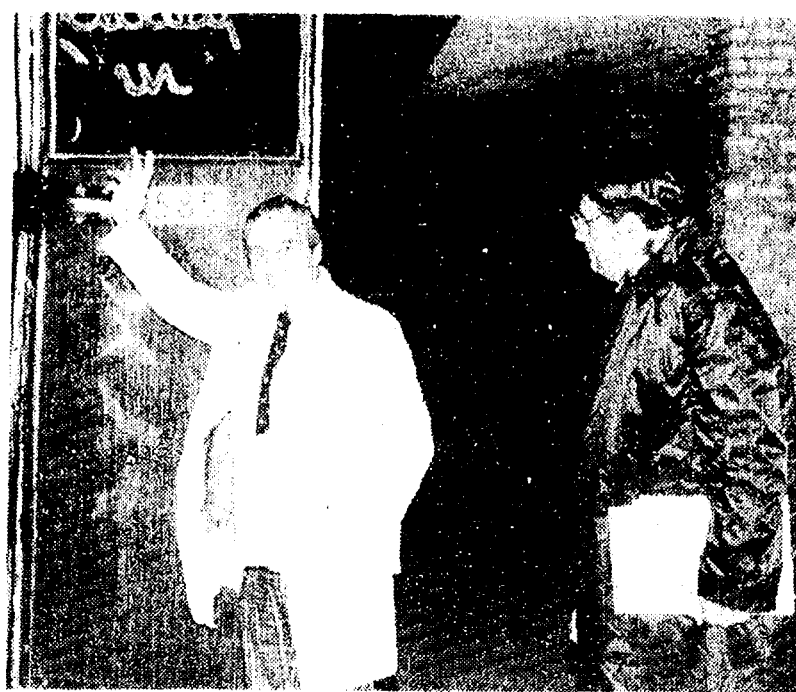

In loving memory of our Mother, Bonnie Wakeley, who left us 5 years ago Oct. 30, 1980.

None knew her but to love her.

None named her but in praise.

Sadly missed by her 6 sons and 2 daughters & families

**Local Doctors In  
Lansing Rally**

**LANSING RALLY** — Dr. Tomlin Rosi, M.D., left, and Dr. D.P. Russo, D.O., of Lewiston, board a Le Coache Tour bus carrying physicians to Lansing.

Physicians from Grayling, Gaylord, and Cadillac traveled by bus, October 22, to join nearly 10,000 of their colleagues in Lansing to demonstrate against growing malpractice insurance premiums and excessive court awards for victims of medical malpractice.

The Holiday Inn Le Coache bus left from Grayling at 6:30 a.m., picking up several physicians at the Houghton Lake Holiday Inn, coming from the Cadillac/Lake City area.

The local physicians arrived at the Civic Center in Lansing at 9:30 a.m. to participate in a one-hour rally at the Lansing Civic Center, two blocks from the Capitol.

The auditorium was filled to capacity, overflowing into the lobby and meeting area below the main floor. Participants unable to get into the main auditorium watched the proceedings on television monitors.

Masters of ceremonies, Carl A. Gagliardi, M.D., chairman of the Michigan State Medical Society (MSMS), said it was the largest rally Lansing has ever seen. A spokesman from Rep. Ralph Ostling's office (R-Roscommon) said it was the largest assembly of people she had seen in her 24 years at the State Capitol.

Following an hour of remarks in the Civic Center, the crowd moved peacefully down Allegan Street to the front of the Capitol Building, where Governor Blanchard greeted them and pledged his support to help resolve

the crisis. Representative Gary M. Owen, (D-Ypsilanti) Speaker of the House of Representatives also addressed the crowd pledging his support.

Following the gathering at the capitol, physicians and other supporters met privately with their local representatives to talk more specifically about individual concerns.

The Michigan Senate passed, by an overwhelming majority, a 19-bill package October 17, aimed at reforming current legal practices physicians claim have led to escalating malpractice insurance premiums and huge medical settlements for victims. The basic components of the bills sent to the House included pre-trial screening for all cases, a \$250,000 cap for non-economic awards (pain and suffering) and shortening of the statute of limitations for filing claims against health care providers to two years from the alleged act, omission, or neglect.

The bills have now moved to the House where all 19 are in the appropriation committee chaired by Rep. Ralph Ostling. A spokesman in his office said action is expected on the bills before Christmas.

## Missionary at Free Methodist

Dr. Bruce Davenport, medical missionary to Transkei, Africa, under the Free Methodist Church, will speak at the Grayling Free Methodist Church, on Sat., Nov. 2 at 7:30 p.m. when he will show slides and Sunday, Nov. 3, at 11:00 a.m.

Dr. Davenport has served as medical superintendent of Greenville Hospital for the last two years. The hospital is located on one of the many steep hills in the country. The nearest shopping area is Port Shepstone, on the Indian Ocean, a drive of an hour and a half from Greenville.

Although the hospital has 183 beds, inpatients number anywhere from 190 to 320. Outpatient treatments run about 150 per week. A large number of patients suffer from tuberculosis, a common disease among both adults and children in this area.

The facility, begun as a mission hospital, was nationalized in 1976. All staff members are Africans with the exception of the medical doctors. A full-time chaplain visits inpatients and holds services for the outpatients and staff. From 80 to 90 persons find Christ as Savior each year.

Dr. Davenport is also an ordained elder and works with conference church leaders.

Mrs. Mildred Davenport has a unique ministry among the women in the hospital. She conducts sewing classes

for expectant mothers who come several weeks before delivery because of the distances involved. Each class includes a Bible lesson. A number find Christ during these sessions. Mrs. Davenport recently expanded this ministry to women in area churches.

The Davenports began their missionary careers in 1982 after twenty-four years of private medical practice in Spring Arbor, Michigan. They served two previous assignments at Greenville for short periods, in 1967 and 1980.

The Davenports were graduated from Spring Arbor Jr. College. Dr. Davenport completed his undergraduate work at Seattle Pacific University, then was graduated from the University of Washington School of Medicine.

The Davenports have four grown children.

The public is invited to hear about this ministry to the people of the Transkei.

## Lovells News

By Ruth Caldwell

Mr. and Mrs. Bill Koerke visited their daughter, Susan and family in Saline, and their son, Jim, in Jackson.

Mrs. Leona Nicholas and guests enjoyed the weekend at her cabin.

Our sympathy is extended to Mr. and Mrs. Walter Leibold and family in the death of his mother, Mrs. Marie Stawicki who passed away on Friday.

Winter Hours at the Library will be on Saturdays only from 1:00-3:00. A new book in the library, "Ten Classic Trout Streams in Michigan" by Gerth E. Hendrickson given by Mr. and Mrs. John Ayres in memory of Fred Koerke.

The Lovells Hook & Trigger Club will have their monthly meeting November 5th, 7:30 p.m. at the Ladies Club. Guest speaker will be Ed Holtcamp, Beaver Creek Fire Chief.

## Cub Scouting Is Back!

On September 21, Cub Scout Pack 3993 kicked off its 1985-86 season with its School Night recruitment program. After a year of being inactive, the Pack was revived through the efforts of Todd Pfaff, who has taken on the position of Cubmaster of Pack 3993, and of the Michelson Methodist Church, which holds the Packs sponsorship.

Since the School Night program, over 16 boys have signed up, and two Cub Scout dens have been formed. Efforts are now being made to form a Webelos den, and to initiate the Tiger Cub program in Grayling.

Tiger Cubs is one of the newest branches of the Boy Scouts of America, and in its three years of existence, Tiger Cubs have shown great success throughout the United States. The program is designed for the boy who is in the second grade, or at least six years old, and his family. It is heavily family oriented, with a boy and an adult family member working together on virtually all activities, and allows the boy and the adult to build a stronger relationship with each other, their family, and the other members of the Tiger Cubs.

Pack 3993 held its first monthly Pack meeting of the season on October 21 in the Michelson Memorial Methodist Church's fellowship hall. This meeting was primarily an opportunity for the Pack to get acquainted with each other. A Halloween theme was followed with a Jack-O-Lantern contest, and a ghost story told by the Cubmaster.

The pack would like to welcome Mike and Lynn Johnson as leadership for Den 1, Carol Sprague and Tina Weaver as leadership for Den 2, and Gary Cowie as the leader for the newly formed Webelos Den.

If your son is between the ages of 6 and 10, and would like to become a part of Cub Scouting in Grayling, or if you, as an adult, would just like to lend a hand to the Pack, we welcome you. For more information on the Tiger, Cub Scouts, and Webelos, call Todd Pfaff, mornings at 348-8673. We here at Cub Scout Pack 3993 are looking forward to a successful year in Scouting, and hope to see you a part of it.

## Jehovah's Witnesses

Members of the local congregation of Jehovah's Witnesses in the area recently returned from a semi-annual Bible seminar held at their assembly hall located in Holt, Michigan. Over 1,500 were in attendance.

Highlighting the two-day seminar, one of the purposes of which was to help Christians identify scripturally the only source of global peace, was the public address by W.J. Benner, "Global Peace - From What Source?"

This address, along with other discussions, experiences and lectures showing how to apply with Bible in one's life were also part of the spiritual program enjoyed by all in attendance.

JUDGE FOR MICHIGAN TEACHER OF THE YEAR — Jerry Hayes, Kirtland Community College Trustee, was one of the judges for the Michigan Teacher of the Year for 1984 and 1985. You see him pictured with Judyth L. Dobbert who was honored with the award at the Kellogg Center in East Lansing last spring. This year's recipient will be disclosed at a later date. Mr. Hayes also served as a judge for the teacher in space program, both at a regional level in Flint and at the finals in Lansing. He would like to thank Crawford AuSable Schools and the Michigan Federation of Teachers for sponsoring him on both projects.

## Halley's Comet Viewing Guide Is Now Available

"Catching Halley's Comet in Michigan" is the title of a new book published by the Grand Traverse Astronomical Society to aid state residents in locating and viewing the comet.

The author is the society's information director Bob Moler who also produces astronomy programs at WIAA-FM, Interlochen Center for the Arts public radio station. Moler says that Halley's Comet won't be as spectacular as it was in 1910, but it will be visible for a longer period.

The 48 page book describes what comets are, a brief history of Halley's Comet, and a detailed observers guide, complete with finder charts and tables. The book will tell anyone in Michigan when the comet will be best for viewing and where it will be in the sky from December 1985 through April 1986 said Moler.

The book will be available in local book stores and camera shops and will also be for sale at the society sponsored public viewing nights. These viewing nights are the third Saturday of the month at Northwestern Michigan College's Rogers Observatory starting at 8 p.m. There will also be special Halley's Comet viewing nights starting in December.

## Hospital News

Those admitted to Mercy Hospital during the past week were: Anna Collins of St. Helen.

Those discharged were Joan Rose and Norman Hohner of Grayling.

James and Kimberly Dobbyn of Atlanta are happy to announce the birth of Dustin James on October 20, 1985. Dustin weighed 6 lbs. 10 ozs.

Carl and Deborah Gildner of Grayling are pleased to announce the birth of Jaclyn Audrine on October 23, 1985. Jaclyn weighed 8 lbs. 15 ozs.

The Avalanche — Your Want Ad Paper

## Social Security COLA Announced By Cong. Bill Schuette

Washington - Congressman Bill Schuette today announced that Social Security recipients will receive a 3.1 percent cost-of-living increase (COLA) on January 3, 1986.

"I'm very happy to announce this much-needed cost-of-living adjustment," Congressman Schuette said, "because I know how important these COLAs are and I voted for them this spring."

Cost-of-living adjustments are indexed to the rate of inflation in the cost of consumer goods. COLAs are paid whenever the annual increase in the Consumer Price Index is greater than

# SPECIAL SCHOOL ELECTION

**NOTICE OF SPECIAL ELECTION OF THE ELECTORS OF  
CRAWFORD AUSTRAL SCHOOL DISTRICT  
CRAWFORD, OTSEGO, & KALKASKA COUNTIES, MICHIGAN  
TO BE HELD**

**November 5, 1985**

**TO THE ELECTORS OF THE SCHOOL DISTRICT:**

Please Take Notice that the Board of Education, pursuant to a directive from the Board of Trustees of Kirtland Community College, Michigan, has called a special community college election to be held in the district on Tuesday, November 5, 1985.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M., AND CLOSE AT 8:00 O'CLOCK, P.M.

The following proposition will be submitted to the vote of the electors at the special community college election:

### PROPOSITION TO INCREASE AUTHORIZED ANNUAL TAX RATE

Shall the charter limitation on the annual property tax imposed on all taxable property in Kirtland Community College, Michigan, for the purposes and in the manner provided by law, except taxes imposed for payment of outstanding indebtedness which taxes are not subject to limitation, be increased by 1/2 mill, from 1 mill to a rate of 1 1/2 mills?

THE VOTING PLACES ARE AS FOLLOWS:

#### PRECINCT NO. 1

Voting Place - Gymnasium of the Grayling Middle School Building, in the City of Grayling, Michigan. The first precinct consists of all the territory of the former Grayling Public Schools.

#### PRECINCT NO. 2

Voting Place - Gymnasium Frederic Elementary School. The second precinct consists of the territory of the former Frederic Community School. (All of the territory except Lovells Township).

#### PRECINCT NO. 3

Voting Place - The Lovells Township Hall. The third precinct consists of the rest of the territory of the former Frederic Community Schools. (Namely Lovells Township, only).

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

This Notice is given by order of the Board of Education of Crawford AuSable School District, Crawford, Otsego and Kalkaska Counties, Michigan.

Pauline F. Petrosky  
Secretary, Board of Education

## Bear Archery Named Top Industry in 20-County Region

Gainesville, Florida - Bear Archery, called by many the finest example of a corporate neighbor that a community can have, was recently named the northeast regional finalist of the Florida Dept. of Commerce Industry Appreciation Award. The region takes in a 20-county area including Jacksonville.

Charles T. Smith, President of Bear Archery, shown above accepted the finalist award from Steve Mayberry, Director of Economic Development for the D.O.C. at the meeting of the Committee of 100.

Accepting the award along with Smith was Fred Bear, who founded Bear Archery in 1933 and who during the course of building the company to the international leader in archery and archery-related equipment, has become the best known bowman in the world next to Robin Hood and William Tell.

Concerning his involvement over the years building archery from an obscure sport to a major industry Bear said, "Me making money for doing that is like giving candy to a kid for being naughty."

In addition to receiving the award, Smith was also the featured speaker at the luncheon.

He urged community leaders to plan and control the future growth of Alachua County saying, "It is unfair and unwise for community leaders and/or our citizens to expect that economic growth will come from existing business."

A united effort by all with an open mindedness regarding growth is important. Set aside the myths of what might happen and organize our efforts toward a controlled quality of industrial growth.

"Growth by accident," he added, "can be more dangerous than a well conceived and established plan of growth."

He also stressed the benefits to the community that manufacturing facilities provide, including high quality jobs, expansion of the tax base. (especially important to government-heavy towns like Gainesville), and extreme involvement and contributions to community activities.

He also cited that in 1978, when Bear opened its doors in Alachua County, 84 percent of its total workforce were originally living in the county.

## Deer-Car Crashes Climb To 26,400

More than 20,000 deer will be killed this year in Michigan — not by arrows and guns but by collisions on roads and highways, warns the Michigan Department of Transportation (MDOT).

People will die, too. Last year, five persons were killed and 1,299 were injured in deer-traffic accidents. The highway deer kill totaled 25,276.

The toll has risen. Two persons died in 1983, 1,141

were injured and 20,459 deer were killed.

The number of highway deer accidents rose from 21,509 to 26,420, a record high.

Records also show the cost of these accidents totaled more than \$43 million dollars, including more than \$30 million in property damage.

Most deer-traffic accidents occur in October and November, the deer mating season.

MDOT safety officials urge motorists to stay alert, to watch for deer especially during the first few hours before sunrise and after sunset, and particularly after passing a "Deer Crossing" sign.

They advise drivers to slow down, use high-beam lights when possible, watch for "shiny eyes" and be prepared to stop. Since deer often move in numbers, motorists should watch for the "trailers."

Drivers also are reminded to use seat belts, as the law requires.

If a deer is hit, the motorist should notify the state police or sheriff.

### Herbal Corner

So what's cooking? I was pleased to learn that a few people are still getting vegies from their garden. My mother even surprised me with broccoli yesterday. Most folks, however, are in transition. Gardens are empty, and since their palets are accustomed to vegies with taste, those in the grocery stores just are not appetizing, yet. Okay. Let's see what can be done.

Olive oil is used in cooking, marinating, and salads. It is one of the best oils to use with herbs because it easily draws out the fragrant oils from herbs and spices. The ratio is usually equal parts of herb(s) to oil. The flavor may be strong, but can be cut with more oil when using. When using dried herbs, just remember that you must strain after 14 days - no longer. The herbs begin to deteriorate at that time and are not worth using. The oil can be used to marinate your meats, vegetables; use it on your fish when cooking; Sage oil can be used on poultry for the dressing flavor but without the dressing. The oil can be used with wine vinegar for salads.

If you are the type that can grow basil indoors, you can use Olive oil to preserve your basil for fresh use. One half cup of oil and 1 cup of unblemished, (rinsed and dried) basil leaves are placed in a blender till the basil leaves are chopped but not pureed. Put the oil into an amber glass container, cover the contents with an inch of oil, and let set at room temperature. The oil will take on the basil flavor in about a week. This recipe can be made in any quantities and can be dishd out whenever you need basil for cooking or pesto just as long as you keep that one inch of Olive oil on top.

You know something? One of these times I just may get an invite from someone to check out one of these tasty morsels.

Herbally yours,  
E. Diona Cerelli, C.H.

### Welcome To Daniels Den

Daniels Den is located on the corner of I-75 & M-72 west at the Ice Cream Parlor. Every Saturday nite from 8:00 to 10:00 p.m. we open the doors at 7:30 p.m. if you want to come early.

We are a place where you can come and bring yourself, or your family and have a good time. There's always some type of Christian music, refreshments, fellowship, and new friends to make. It's a homey atmosphere and one you will be comfortable in. Come and visit us.

We are now having a Childrens Ministry on the 1st Saturday of each month. The ministry will consist of simple biblical teaching reinforced by crafts, songs, and games. The children participating in the ministry in September loved it and so did their parents.

The "Heavenly Host Singers" will be with us this Saturday, Nov. 2nd. They are from the Saginaw area and this will be their 2nd time with us. They are a singing group with guitar, drums and keyboard. They were well received last time and we are really looking forward to seeing them again. Also there will be a childrens ministry that night so you can enjoy the music mom.

Any additional information needed call 348-4151.

City Manager and City Clerk

## Drug Bust Convictions

(Continued From Page 1)

can not be found associating with any drug violators - for possession of LSD.

K.B. - Sentenced to 70 days in jail, three years probation, \$400 costs, \$110 restitution, must repay attorney fees, and enroll in GED program - for delivery of marijuana.

P.M. - Sentenced to six months in jail, two years probation, \$500 costs, \$280 restitution, 400 hours of community service, and repay attorney fees - for delivery of marijuana.

D.B. - Sentenced to 60 days in jail, two years probation, \$500 costs, \$115 restitution, 400 hours of community service, and repay attorney fees for three charges of delivery of marijuana.

R.K. - Sentenced to one year in jail, \$5,000 fine, \$200 costs, and five years probation for two charges of delivery of LSD.

G.C. - Case still open.

D.C. - Sentenced to six months in jail, \$400 fines, \$200 costs, and four years probation for delivery of LSD.

V.H. - Sentenced to \$305 in fines, \$100 restitution for possession of marijuana.

A.B. - Sentenced to \$205 in fines, \$250 in attorney fees, and one year probation for pistol safety inspection violation.

W.G. - Sentenced to five and a half to twenty years in prison for delivery of cocaine.

D.G. - Sentenced to one year in jail, \$1,500 fine, \$300 costs, and five years probation for manufacture of cocaine.

M.H. - Case still open.

S.G. - Sentenced to \$305 costs for possession of marijuana.

R.J. - Sentenced to \$305 fines, \$140 restitution, one year probation for possession of marijuana.

M.S. - Sentenced to \$305 fines, \$125 attorney fees for possession of marijuana.

P.M. - Sentenced to \$305, \$6 restitution, one year probation for possession of marijuana.

S.P. - Sentenced to \$305, \$80 restitution, one year probation for possession of LSD.

M.W. - Sentenced to \$205 for use of marijuana.

T.C. - Sentenced to nine months in jail, \$800 fines, \$250 costs, and five years probation for two charges of delivery of LSD.

G.M. - Sentenced to \$305, \$125 restitution for possession of marijuana.

M.F. - Sentenced to \$205, \$40 restitution for use of marijuana.

M.B. - Sentenced to \$205 for false pretenses less than \$100.

D.B. - Sentenced to \$205, \$110 restitution for false pretenses less than \$100.

S.B. - Ordered to pay \$5 restitution, charge of use of imitation controlled substance suspended.

Also involved in the October 30 drug bust besides the Crawford County Sheriff Dept., were the Michigan State Police, who arrested eight persons in Roscommon County, and the Roscommon, Alpena, and Kalkaska sheriff departments who arrested one person each. Twenty two of the persons were prosecuted in Crawford County and five persons were prosecuted in Roscommon County.

## Camp Grayling Spur

(Continued From Page 1)

during heavy rainfall.

Option A is the most expensive but would interfere with I-75 traffic the least during construction. Option C might have the lowest maintenance costs but very few railroad tunnels of this sort have been built in Michigan, and it would require a long period of traffic rerouting. Proper drainage would also have to be installed to avoid flooding.

The study designated two routes, stating not too many routes were available because the spur needed to serve both the new Ammunition Supply Point south of Camp Grayling and the new Logistical Supply Facility west of camp. Several terrain obstacles also had to be avoided.

The spur would start east of the A.J.D. company and cross I-75 about a half mile north of Four Mile Road. There are two route options after that, both running parallel north of Four Mile Road. Route I is listed as the least expensive and runs entirely on state land. Route II avoids a military maneuver area but is \$7,200 more. Route II, however, goes over 20 acres of private land that would have to be purchased.

The two route options join together and then the route crosses Military Road just south of the new Ammunition Supply Point Road. The spur then heads to the Ammunition Supply Point and the new Logistical Supply Facility.

A balloon track at the end of the spur near the supply facility would add \$580,900 to the \$4.4 to \$5.2 million cost of the spur.

The study says constructing the spur is feasible because the topography offers no unworkable problems and the soils are excellent for track construction.

The purpose of the spur would be to serve Camp Grayling, especially the ammunition supply point and supply facility.

The ammunition supply point received about 1,640 tons of ammunition in 1984 mainly shipped from California, Pennsylvania, and Illinois. The supply facility received about 1,950 tons of materials for 1984.

The study estimated if use increased at the camp, as many as 8,000 tons of goods could be shipped to Camp Grayling by railroad by the year 2000. It also said if the camp was ever mobilized, shipments could increase three times.

## Honest, Helping Hustlers Working for United Way

By Benjamin Butts  
United Way Volunteer

Members of the commercial division committee of the United Way are spending their time figuring out ways to give you a great time while hustling you for a few bucks. Plans for the November 9th live auction at the K of C Hall are really 'shaping' up.

We'll let you in on all the great auction items next week, but for a peak - how about a real live model with a peignor and other negligee for your girlfriend, if you're the highest bidder (for the negligee that is!) All this from the Village Shop. On the other end of the scale, bid high enough and you can get your kid a set of golf clubs from R & H Sports.

The auction promises you a great, great night of fun. How about starting with a con-

vocation by "Servin Irvin" McIssac? Adding to the spice will be the "Preacher" by Mike Branch. Talented Nancy Hoffman will supply the rythm and beat for an "Ace" Worden sing-a-long. All this and more while you borrow more money to take home those United Way goodies.

Speaking of more, the talented residents of our county have jumped at the chance to "ham-it-up" for your pleasure. Imagine, a pantomime of "Tea for Two" by John Naour and Mike Branch. And hold your hats for a skit on the "Blues Brothers" by John Watkins and Jeff Martinez. Then there will be dance routines with Grayling's best and a country music singer and guitarist.

Don't forget, the giving night is November 9 from 7 to 11 p.m. at the K of C hall. Pick up your tickets now at R & H Sports, Wieber Jewelers, and Mac's Drugs.

## Georgia-Pacific Trip

(Continued From Page 1)

merce director, city council members, fire chief, head of emergency services, the local newspaper editor, and publisher. Other local citizens were also at hand to give their impressions of the Louisville plant.

On Tuesday, the team divided and met with their southern counterparts. They also had time to ask private citizens about the Louisville plant, which is located about one mile from the downtown area of the city.

The visit concluded with more discussions with Georgia-Pacific personnel.

The investigating team went to Louisville because it was a rural community (population 6,000) with a plant similar in operations to what Georgia-Pacific is proposing here. Although the Louisville plant is 17 years old and the proposed Grayling plant would be different in construction, the operations would be similar. The investigating team had asked Georgia-Pacific if they could visit a plant in a rural community with similar operations. Georgia-Pacific recommended the Louisville plant as fitting those guidelines.

## United Way Goal

(Continued From Page 1)

with a kick-off breakfast at the Holiday Inn. At this breakfast Diana Stubbe presented Mo McNamara with a financial gift from the Weyerhaeuser Foundation, setting the pace as initial donor for the 1986 campaign. After a month of hard work, Crawford County United Way will top off its campaign with a live auction to be held at the Knights of Columbus Hall.

Crawford County United Way is presently supporting seven local agencies. They are: Crawford County 4-H, Sibs for Kids, Community, Family, and Children Services, Girl Scouts, Salvation Army, Crawford AuSable Day Care, and AuSable Valley Youth Services.

The purpose of 4-H is to help young people acquire new knowledge, skills, and leadership abilities through their 4-H projects. For the 1984-85 year Crawford County 4-H had 600 registered 4-H members and over 50 adult volunteers.

The Crawford County Sibs for Kids Program is the local Big Brother/Big Sister program. The program provides services to youth aged 6 through 16 and approximately services 20 youth and families per year.

Community, Family and Children Services provides a variety of services to Crawford County residents which include individual, family, marriage, pregnancy, and substance abuse counseling. Adoption services as well as offender employment and education services is also offered to the community.

The purpose of Girl Scouts, is to inspire girls with the highest ideals of Character, Conduct, Patriotism, and service that they may become happy and resourceful citizens.

As The Salvation Army enters its second century of service in the U.S.A., it remains committed to its original purposes: to battle sin and suffering wherever it is found; to go to the lost and dying with love of Christ and the hope of salvation; to follow, with all the personnel and means at its disposal.

Crawford AuSable Day Care is a private non-profit organization. The Day Care Center is located in Grayling and presently services 71 children. Crawford AuSable Day Care is also responsible for the administration of "Kenquest House", a residential care facility for Pregnant Adolescents. Kenquest is located in Grayling and presently housing 5 residents.

The AuSable Valley Youth Service Bureau is a free confidential counseling, social work, and referral service provided to youth aged 6 to 18 and their parents. The YSB services approximately 125 youth per year.

Any person interested in more information regarding Crawford County United Way can contact John Cherven at 348-2554 or mail donations to: Crawford County United Way, P.O. Box 171, Grayling.

### Announce Marriage

Emma L. Bartell of Grayling and Emil Mattson of Florida were united in marriage Oct. 26 at 1 p.m. at Calvary Baptist Church. The Rev. Robert Barnett performed the ceremony in the presence of the immediate family and a few friends.

Mrs. John Wilson of Jackson and Jack Smith of Fremont attended the couple.

David Welch of Rockford offered special music and Shandra Welch played the piano.

Immediately following a reception was held at the home of the David Englands. Also attending from out of town were Mr. and Mrs. Paul Hendrickson of Alpena.

### COMMIT YOURSELF

Be a volunteer.

### Red Cross

(Continued From Page 1)

won't you please, today, send a check to Crawford County Chapter/American Red Cross, RR 2, Box 2515, Grayling 49738, for what you think is your fair share?

Please remember that the only way National Red Cross is funded is by a share of what local Chapter's like this one raises. National Red Cross conducts no fund drives itself except in grave National Disaster Emergencies when the costs of Disaster Relief exceeds their budgeted resources.

Because of the good financial response of the Citizens of Crawford County in the past in their support of this Red Cross Chapter, only a little over 20% of our Drive Funds are required to meet our financial quota to National. Almost 80% of your contributions remain in Crawford County to serve our own folks.

## Volunteers On The Go!

Now that the new school year is in full swing, we again are grateful for the many volunteers who are working in various volunteer positions within the school district.

One of our senior volunteers is Patricia Schreiner. Pat works in the high school library every Tuesday. Because of her secretarial background she does a great deal of typing of catalog cards, and book pockets to keep the library system running smoothly.

Pat has been retired for 3 years from the Soil Conservation Services, here in Grayling. She enjoys her retirement by working on ceramics, sewing, reading, being a member of the bell choir at the Michelson Memorial Methodist Church, and being an occasional substitute organist at the church. She is also a member of the RSVP, and an active member of the church for 14 years.

We must add that Pat's newest love has been ballet dancing. She proudly admits

to 62 years young and because of her example has interested other retired citizens in either ballet or aerobics. Pat is definitely not one to sit around doing nothing.

When asked why she works as a volunteer in the high school library, she stated that she has some librarian background, could see we needed the help and decided to give it a try. She has been with the school volunteer program for 2 years now.

Pat added that more people should be a school volunteer because you need to know how the school is being run, and it is nice to be around young people; it keeps you young. She says no matter what type of volunteer work you do it can't help but be interesting.

Thanks Pat, for all the hours of typing. Your "Caring and Sharing" adds to the enrichment of our students and school District.

Anyone interested in joining our school volunteers please call Mrs. Wolf at 348-7641.

## CHURCH DIRECTORY

## Two Interesting Words...

...research and documentation.

The first implies searching AGAIN for something others found...or didn't find. The second suggests discovering the record of the search and its results.

Similar words, properly yet rarely used in the same context, are **CHURCH** and **BIBLE**.

In church a man pursues his spiritual research: He seeks the truth and joy that others have sometimes found...recognizing that some did not always find them.

In the Bible a man surveys the account of earlier searches and their results. He can link his own findings to all that was revealed to those who searched before him.

In this scientific age it may be that **you**, like many before, require research and documentation for your religious beliefs. In the laboratory and library God has provided — they're waiting for you now.

## Couple Cited For Fighting Crime

By John Grigsby  
Blade Staff Writer

Editor's Note: The following article appeared in the Toledo Blade. The Lenkowski's, Bill and Frances were former residents, owning and operating a store at Lake Margrethe. We thought their friends would like to read about them. This is reprinted through permission of the Toledo Blade.

A year and a half ago, a West Toledo housewife had gone to bed just after midnight when vandals came up on her front porch, pounded on the house, and smashed the glass in the front door.

"I had heard about other people having problems and I had seen those yellow block-watch signs in other neighborhoods, but I decided then that something ought to be done (about) the situation where we lived," said Frances Lenkowski.

She contacted block-watch leaders at the Scott Park district police station, where she obtained brochures and other supplies. She spent hours ringing doorbells and talking to residents in the area around DeVilbiss High School, and she recruited 54 block captains.

"Within three months she had signed up more than 51 per cent of the 1,233 households in the area," Sgt. Nathaniel Ford said as Mrs. Lenkowski and her husband, William, were named the first outstanding block-watch leaders in Toledo.

27,710 Households Enrolled  
The presentation was made at an awards dinner given by the mayor's panel on neighborhood block watch Thursday at the Scott Park Banquet Room.

Councilman Alice Lyczkowski, who is chairman of the city-wide block-watch organization, said 27,710 households are enrolled in the program, which has been set up in 106 areas in the city.

When the program began two years ago, neighbors were to look out for one another, keep an eye on houses next door or across the street, and report suspicious cars or people in the area, Mrs. Lyczkowski said.

"It has developed into much more than that," she said.

Sergeant Ford said regular meetings are held among the community groups. Traffic engineers, locksmiths, lawyers, judges, and others discuss topics including child abuse and rape prevention, bicycle safety, and fire prevention.

Last spring, he said, his office was alerted to a series of thefts in a West Toledo neighborhood. "Most of them were senior citizens whose homes were entered while they worked in their yards and purses and similar items were taken."

"This information was relayed throughout the neighborhood by the block-watch volunteers and the thefts almost immediately

ceased. We don't know exactly what happened, but the incidents stopped," he said.

The Lenkowski's were cited for organizing the area bounded by I-475, Sherbrooke Road, Berdan Avenue, and Jackman Road. Some 1,039 households enrolled, or 83 per cent of the district's houses.

Regular meetings are held and members are kept apprised of activities through a newsletter.

"I like working with people — I had experience while we ran a summer resort and store in northern Michigan," Mrs. Lenkowski said. Her husband, a retired quality control inspector at the Dana Corp., works with her.

"I think everyone in city hall must know me as I forward a lot of complaints to them. But we have received excellent cooperation as they know our beefs are genuine," she said.

Residents Recognized  
Other awards at the dinner included one for the largest sustained block-watch effort given to Maynard Patterson and Donald McManus, co-chairmen of the West Toledo area bounded by Laskey Road, Eleanor and Lewis avenues, and the Conrail tracks. Some 1,186 households, or 78 per cent of the 1,522 homes in that section are enrolled.

The award for the longest sustained effort went to Henry Bahler, leader of the South Toledo sector near Libbey High School. That group was formed in July, 1983, and 51 per cent of the households had signed up by October that year. The area near Byrne Road and South Detroit Avenue, where all 610 households have enrolled, was cited for being the most organized segment.

About 80 people usually attend meetings led by Kathy Sink.

## THOUGHT FOR FOOD

by GOULD CROOK

### French-Style Vegetable Stew

- 1 cup chopped onions
- 2 cloves garlic, minced
- 2 small zucchini, thinly sliced
- 1 medium green pepper, cut into thin strips
- 1/2 cup salad oil
- 1 medium eggplant, pared, cut into strips
- 3 tbsp. flour
- 4 medium tomatoes, peeled, cut into eighths
- 1/4 cup catsup
- 2 tsp. vinegar
- 2 tsp. oregano
- 1/4 tsp. pepper

In a Dutch oven, saute the first four ingredients in oil until onion is transparent. Coat the eggplant strips with flour; add with tomatoes to sauteed vegetables. Combine catsup and remaining ingredients. Pour over vegetables. Cover, simmer 30-35 minutes, stirring occasionally. Yield: 8-10 servings.

## NMU Plans Open House in Grayling Area

Marquette — A slide show about Northern Michigan University and informal discussions with students, alumni and admissions staff will highlight the annual NMU Open House Program in 10 locations around the state.

The Grayling open house will be held Wednesday, Nov. 13, at the Holiday Inn. Registration begins at 7 p.m., with the program at 7:30 p.m.

"This is our way of bringing a bit of Northern Michigan University to prospective students and their parents," said James M. Masuga, Dean of Admissions and Enrollment Services. "We invite high school seniors and juniors to learn more about Northern's academic programs, student life and financial aid programs."

Reservations are requested, and interested persons may call the NMU Office of Admissions at 1-800-682-9797.

Open houses are also being held in Troy, Mt. Clemens, Dearborn, Grand Rapids, Kalamazoo, Saginaw, Petoskey and Alpena.

## NMHS In-states New Bd. Officers

Frank Chinn of St. Helen was recently in-stated as NMHS new Chairperson of the Board of Directors. Other directors include: Ms. Patricia Kinski of Higgins Lake; Mr. Robert Wenig of Houghton Lake; Mr. Gary Boushelle and Mr. Frederick Roemer, both of Roscommon. Mr. Chinn, a retired government accountant accepted the gavel from Rev. Charles Daroc. Rev. Daroc, Presbyterian Minister from Prudenville, will continue to serve as the organization's Secretary-Treasurer. Mrs. Kathleen Webb of Houghton Lake will serve as Vice-Chairperson. Mrs. Webb, is a former Roscommon County public health nurse, and currently assists her husband as owner/operator of Advanced Chemical Company.

N.M.H.S. is a private non-profit organization dedicated to providing comprehensive primary health care services to the residents of Roscommon County and surrounding area. Currently, the organization owns Clinics in Houghton Lake, Roscommon, and St. Helen and has a total staff of about thirty-five including six physicians. The Board of Directors is the official governing body, establishes policies, and oversees the management of the corporation.

Two vacancies currently exist on the Board. Individuals who may be interested in serving on the NMHS Board should call Ms. Beth Kuzinski, Executive Secretary, at 422-5148.

## Legal Notice

STATE OF MICHIGAN  
In The Circuit Court For  
The County of Crawford  
JOYCE I. SORENSON,  
PLAINTIFF  
VS  
JAN M. GANNON and  
TIMOTHY GANNON,  
DEFENDANTS

File No. 85 1083 CK  
David R. Sabin P19822  
Attorney for Plaintiff  
David R. Sabin P19921  
Attorney for Defendant  
Jean M. Gannon

ORDER TO ANSWER  
On May 13, 1985 an action was filed by Joyce I. Sorenson, Plaintiff, against Jean M. Gannon and subsequently against Timothy Gannon in this court to quiet title on the below described property wherein William O. Sorenson (now deceased) and Joyce I. Sorenson, his wife were purchasers and Timothy Gannon and Jean M. Gannon, his wife were sellers;

Lot Five of Block Two of Barnes Addition to the City of Grayling, according to the recorded plat thereof, Crawford County, Michigan.

IT IS HEREBY ORDERED that Defendant, Timothy Gannon shall answer or take such other action as may be permitted by law on or before November 4, 1985. Failure to comply with this Order will result in a Judgment by Default against Defendant, Timothy Gannon, for the relief demanded in the Complaint filed in this Court.  
Dated: Oct. 8, 1985  
Honorable Alton T. Davis  
Circuit Court Judge

## Your Week Ahead Horoscope

Forecast Period: 11/3-11/9/85

### ARIES

Mar. 21-Apr. 19

An uncanny ability to analyze the trends of the times proves invaluable in investment matters, and where the assets of others are concerned.

### TAURUS

Apr. 20-May 20

Realize that we alone are responsible for our own decisions in life. Listen and learn, but the answer is within.

### GEMINI

May 21-June 20

Conditions surrounding matters of insurance or inheritance may follow a peculiar path. Take it a step at a time.

### CANCER

June 21-July 22

Unconscious telepathic interchanges affect your attitude in dealing with mate or partners. Be aware of this subtle influence.

### LEO

July 23-Aug. 22

Planetary configurations urge the Leo native to exercise caution in the use of drugs, including prescription medicines.

### VIRGO

Aug. 23-Sept. 22

An aura of mystery enhances a romantic relationship. It would be wise to investigate the unknown factors.

### LIBRA

Sept. 23-Oct. 22

Exercise some constraint in your plans for beautifying the home and surroundings. Check that compulsive tendency to spend.

### SCORPIO

Oct. 23-Nov. 21

Let your thoughts soar into the higher realms, but don't lose your grounding when facing day to day challenges.

### SAGITTARIUS

Nov. 22-Dec. 21

Pay close attention to income and assets lest they drift away before you realize what's going on.

### CAPRICORN

Dec. 22-Jan. 19

Unconscious impulses triggered by remembrance of past experiences have a profound affect on present activities. Try not to be overly sensitive.

### AQUARIUS

Jan. 20-Feb. 18

Constructive thoughts emerge as you gain some privacy and seclusion. It's a good time to recharge your batteries.

### PISCES

Feb. 19-Mar. 20

New friends and associates introduce you to a completely different lifestyle. The conformist in you says "go for it."

## St. John Lutheran Church

Bazaar &amp; Bake Sale

Saturday, November 2nd

10:00 A.M. ON

Will also be serving Coffee and Danish Apple Cake with Whipped Cream.

### WANTED

YOUR SUPPORT TO REELECT

## Wm. Dennis Sloan

To

## Grayling City Council

Paid for by the committee by re-elect Wm. Dennis Sloan.

### Toys for Tots

by Laurie Jensen

The American Legion Auxiliary Unit 106 of Grayling is again having their annual Toys for Tots program.

Here in 1985 we in the auxiliary expect this to be the best year for this project, but we can't do this without your help.

We are in need of Toys, they can be old or new, if they need to be repaired, that's okay because we will gladly fix them. We are also in need of cash donations.

If you have any questions or you would like to donate anything to this worthy project, please contact Roselyn Johnson at 348-7756.

Thank you in advance for helping our kids have a nice Christmas!

### CARD OF THANKS

I wish to thank all my friends and relatives who were so kind to me while I was in the hospital, the nurses and especially Dr. George for his care, and Rev. Jeff for his visits and prayers.

Harry Souders

## Bowling Leagues

**FREDERIC PLAYGROUND EQUIPMENT DONATED** — Joan Kaiser, of Frederic, hands a check for more than \$1,000 from the Kaiser family in memory of Eugene Kaiser to Frederic Elementary principal David Hawkins. Gerry St. Germain, of the Grayling Booster Club, gives GHS Building Trades instructor Dale Lesh and Crawford AuSable assistant Superintendent Paul Lerg a check for \$4,000. The money donated will pay for the materials used in making several pieces of playground equipment at the Frederic Elementary playground. The playground equipment already installed was built by the GHS building trades classes (some class members are shown on one of the new playground structures). Other playground equipment will be purchased with the donations.

### CARD OF THANKS

The family of Margrethe Nielsen would like to express appreciation to their friends for the many acts of kindness and sympathy extended to them upon her passing. Her memory will live in their hearts forever. Special thanks to Pastor J. Mueller and Sorenson Funeral Home.
